The Beginning—

Brackenridge has stood for slightly more than a half century. From 1916 to 1968 it has changed considerably in appearance and students. As the years have elapsed, Brack has added many buildings, enlarged facilities, developed many programs and traditions, and created many organizations and clubs. However, there is one thing that has never changed in the history of Brackenridge High School - the nascent nature of new and returning Brackites every year.

This year again was marked with change. The feeling was evident all about. It echoed through the halls and flowed like the wind throughout the campus. A student might have seen it as he walked about. He could hear it no matter where he was. If he thought he felt it, everyone about him felt it too. What was it? A "Renaissance."

This rebirth was evident as early as last spring, as the roaring

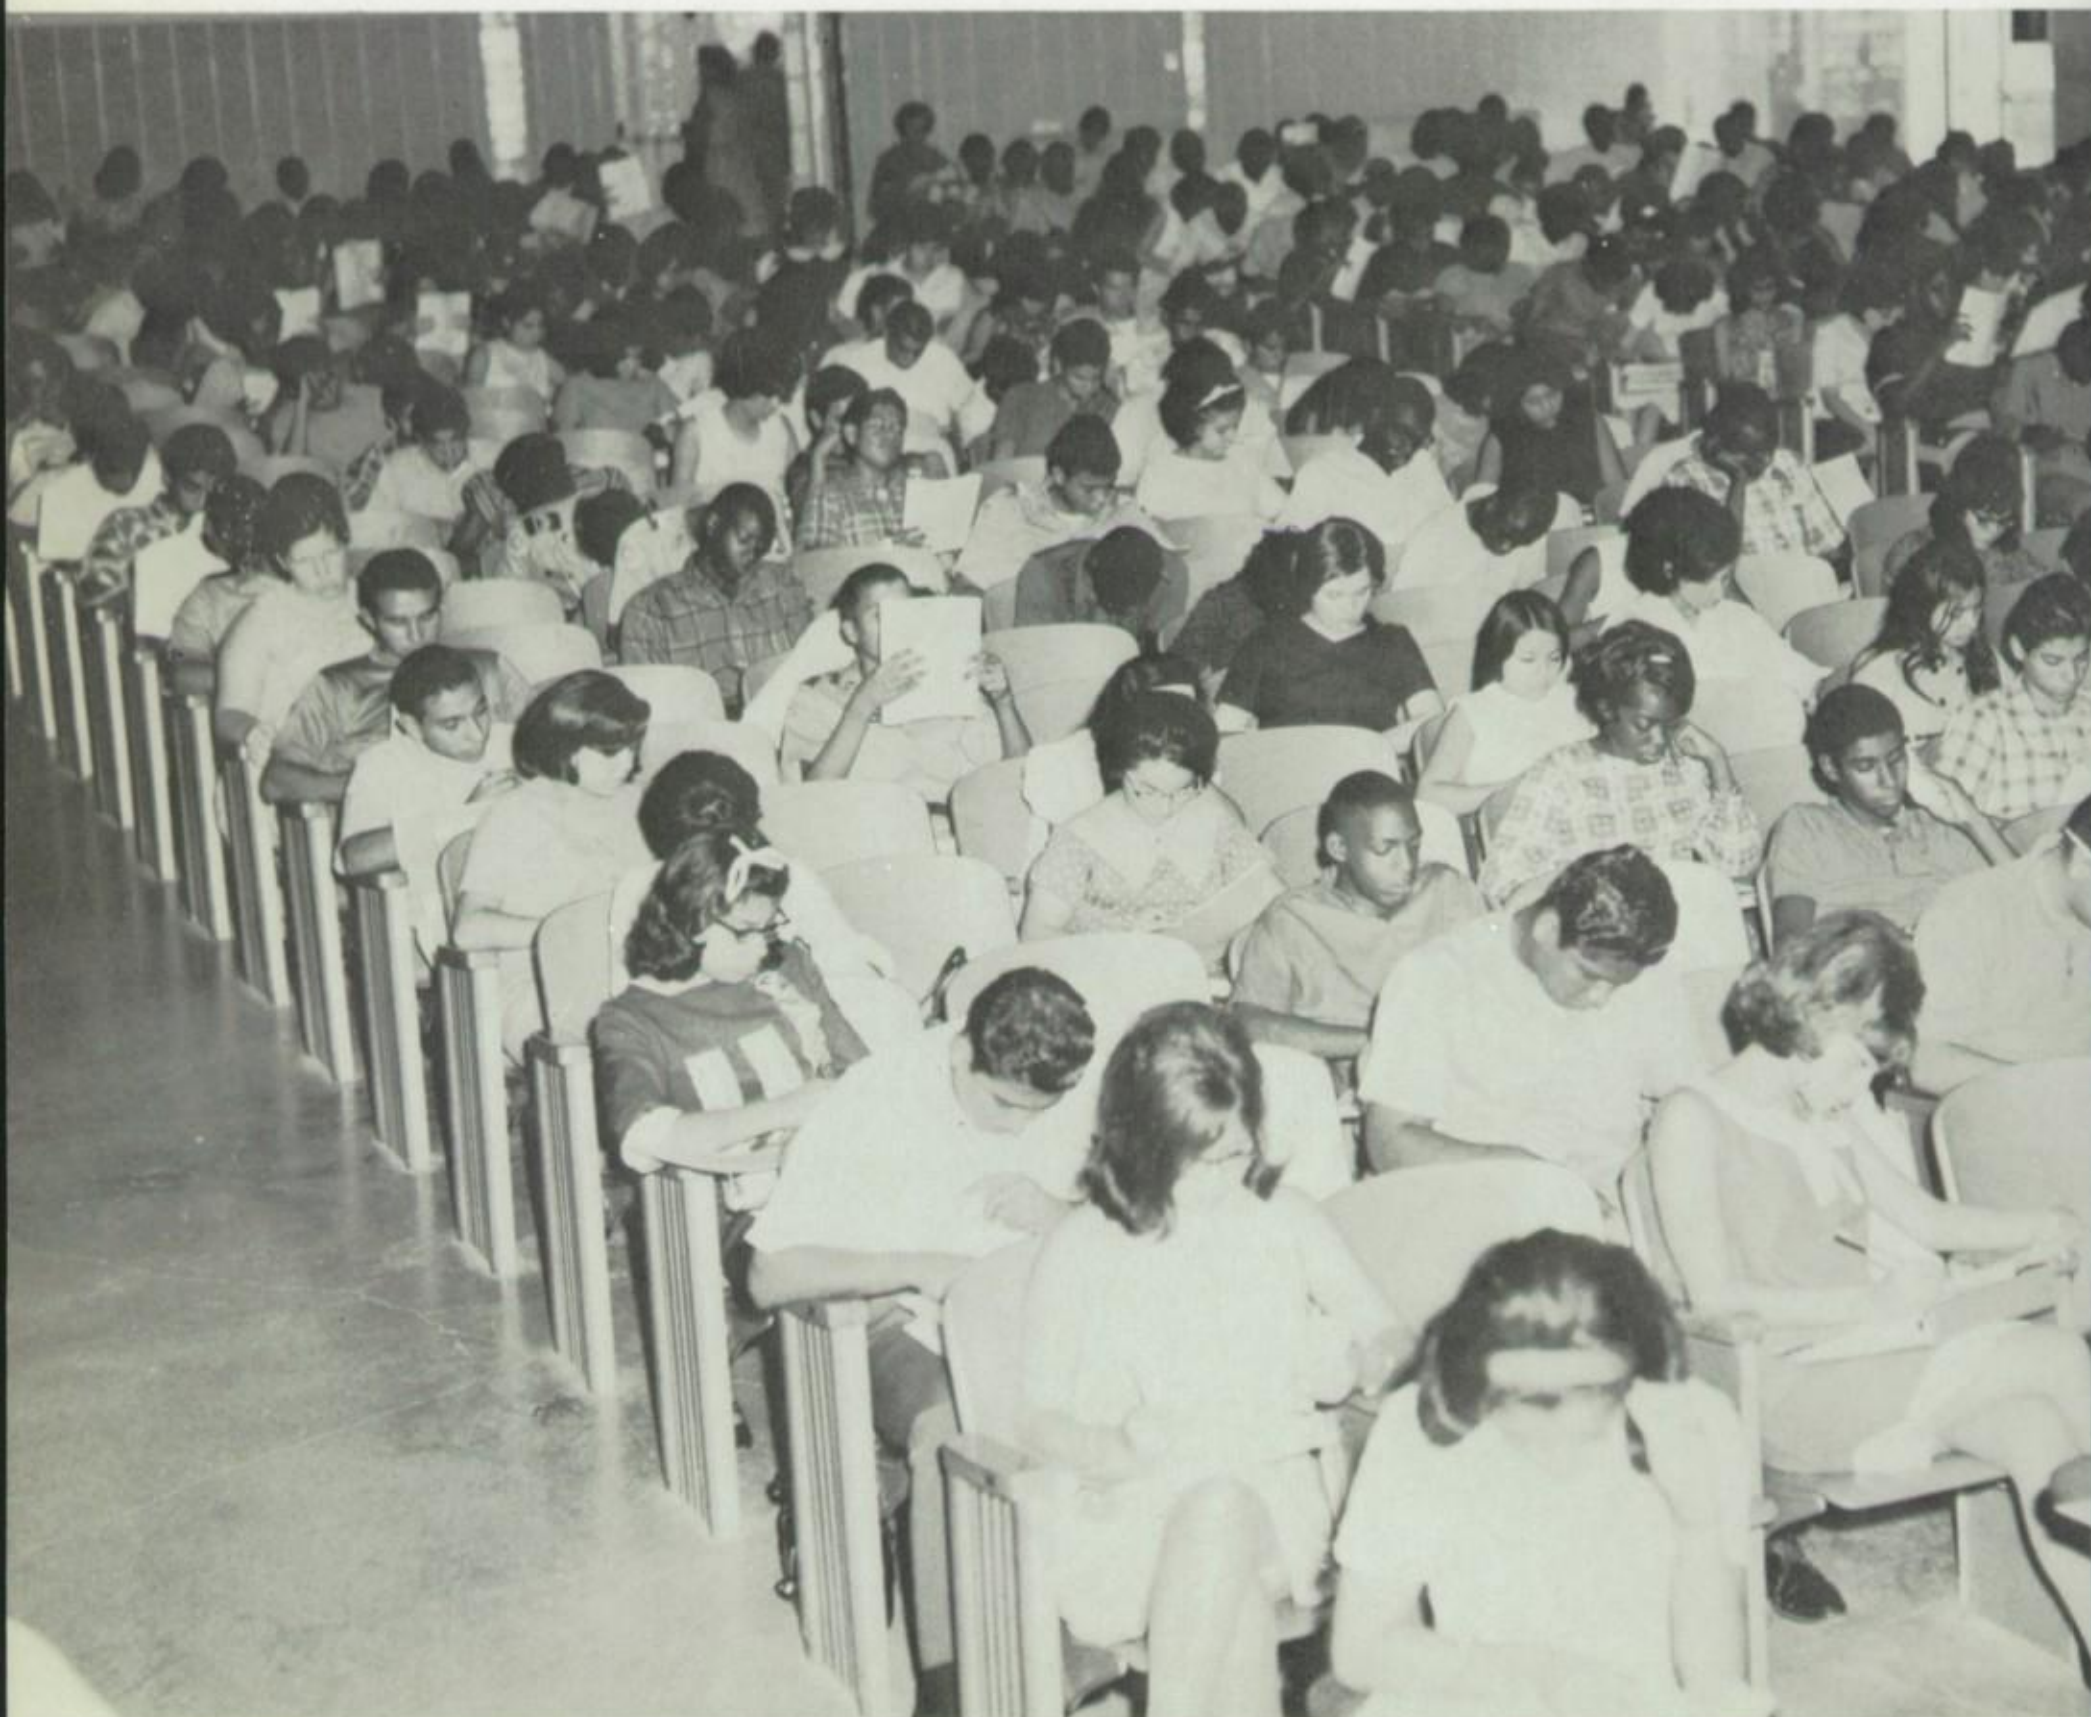

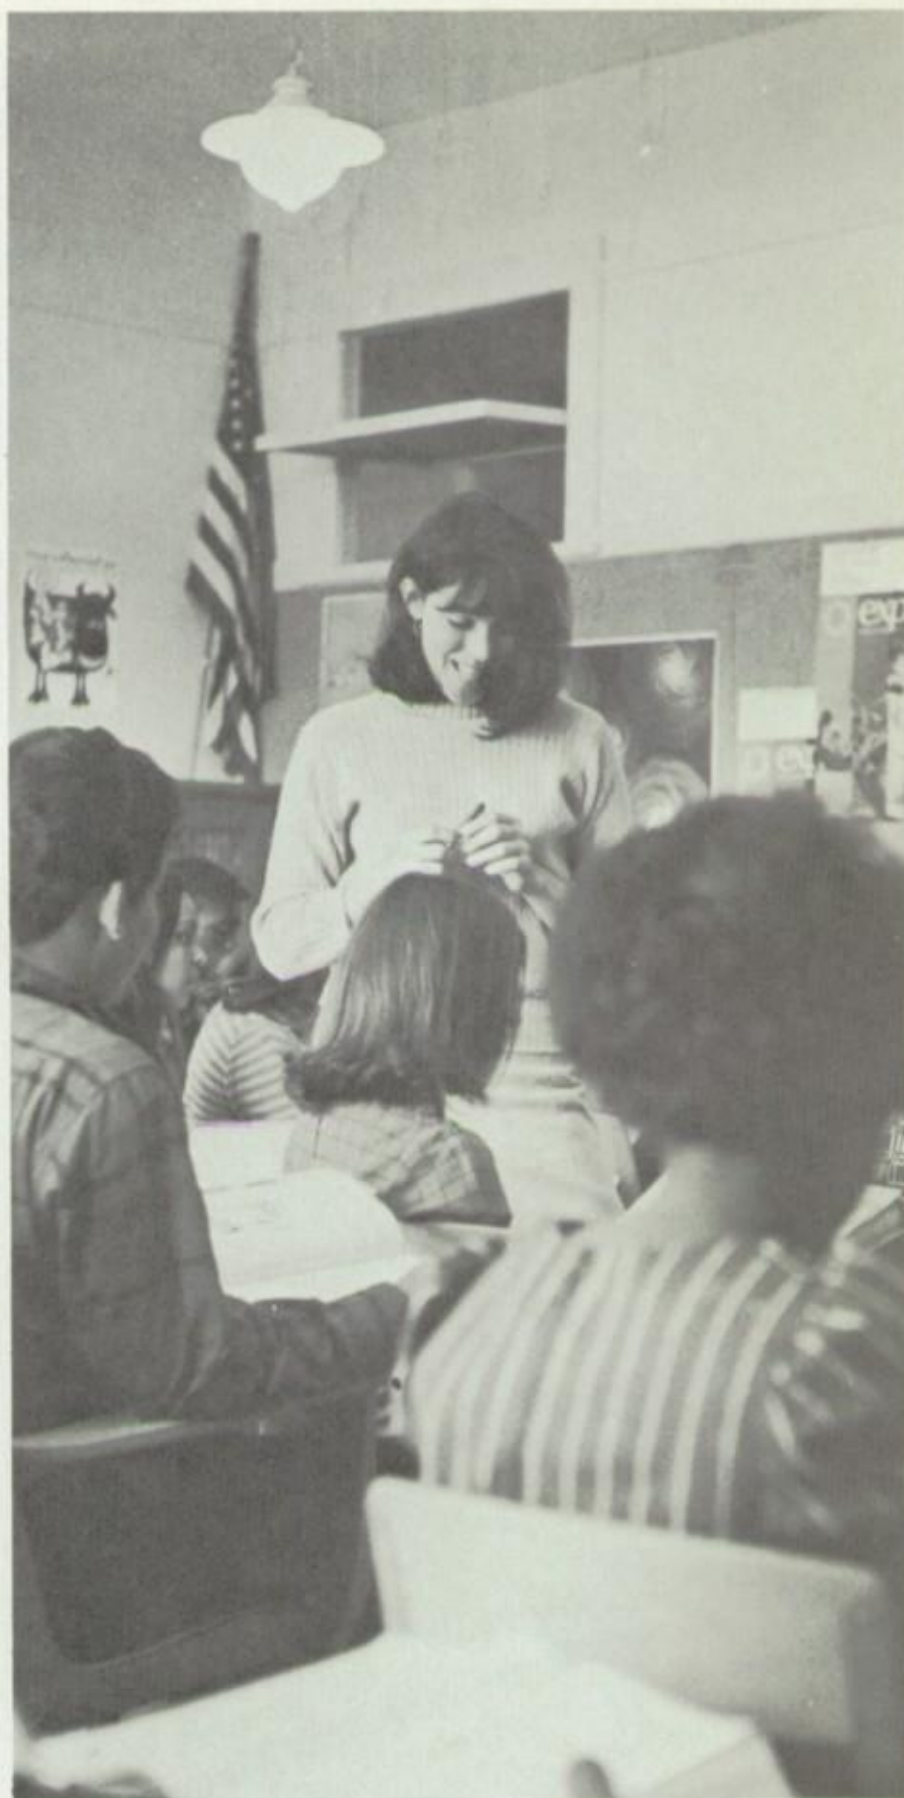

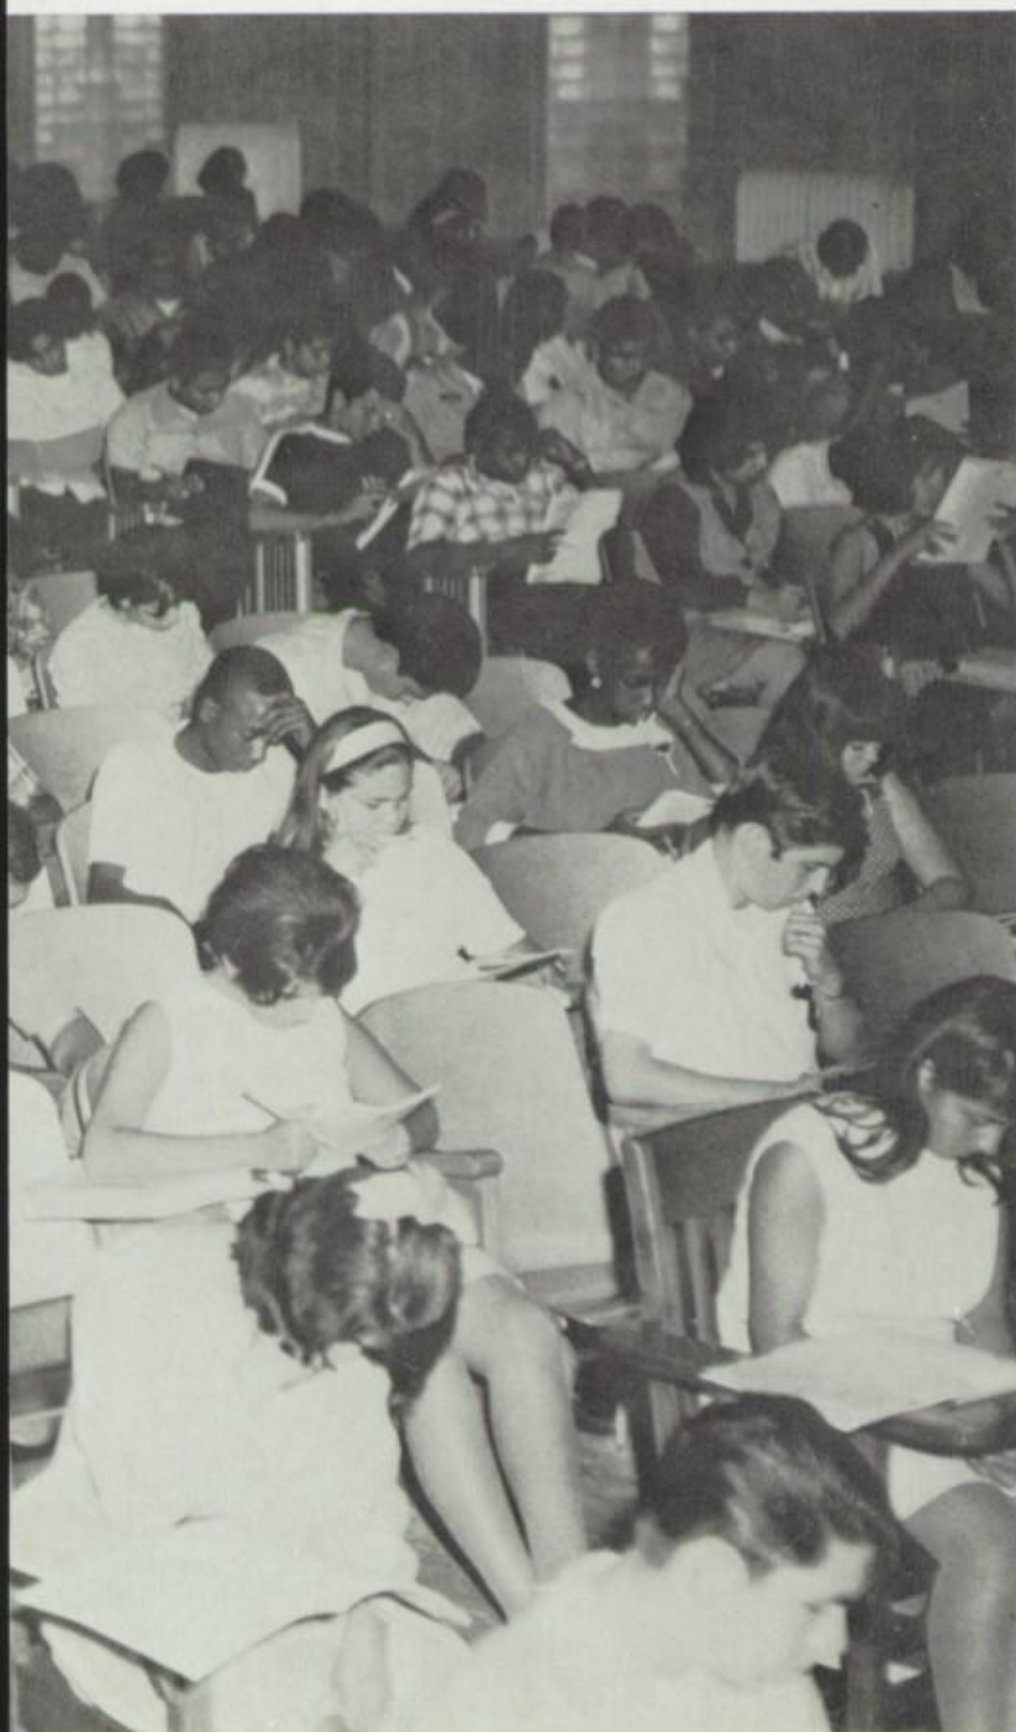

Before the school year officially began, the courtyard (above left) adjacent to the auditorium, the auditorium itself (left), and the classrooms, such as that of Mrs. Claudette Lowe (above), lacked a schools most vital element - students.

of tractors and the hammering and sawing of skilled workmen who began to lay the foundation for Brack's latest additions - the auto mechanics and auto paint and body shops - was heard.

This change continued throughout the summer and on into this school year where the Renaissance really began to be noticed. The changes were seen in the new student body and its student leaders, in new teachers and administrators and in new courses; each with fresh, new ideas and each ready to try them.

Before the school year officially began, the courtyard adjacent to the auditorium, the auditorium itself, and the classrooms lacked a school's most vital element - students. But soon Brackites began to pile in and the Renaissance commenced. To most sophomores the beginning of school started a whole new life. To the juniors it hopefully brought new challenges and the thought that they will soon have but one year to go. To seniors, the Renaissance awoke them to the fact that soon they will be on their own in life, with no teachers to push them to do their work.

But Brackites soon begin to pile in, and to enjoy talking in the patio after lunch (above left); and the auditorium is soon put to use as 615 juniors take the IOWA test (left)...and in her now-filled classroom, Mrs. Claudette Lowe (above) takes time to explain a lesson to a student.

As the year begins there are class meetings and assemblies to attend in the auditorium. There is the new but never changing rush to class and the familiar chattering at lunchtime in the patio outside the cafeteria. Everything seems the same...but all about there is a newness - a rebirth.

Old friendships are renewed; new ones are made. Different courses are taken and different teachers expose their new charges to the many subjects which deal with Brackites everyday, and not-so-everyday, lives.

Change continues. A new band director with new ideas and a new style leads the band, which has also changed its "face" with new uniforms for the first time in ten years.

Rebirth goes on: It is seen in a new language

lab, two new shops, the many new teachers and administrators, in the new Eagle athletic teams, and, of course, in the students themselves.

The first teaching day begins. The mighty Eagles got off to a flying start as they breezed past the Holmes Huskies in their opening game. Two of Brack's touchdowns were scored by Karl Richardson on 23- and 29-yard scampers and another by Gregory Oliver on a one-yard plunge. Other Brack tallies were made by end Charles Duke who caught passes of 52- and 27-yards, respectively.

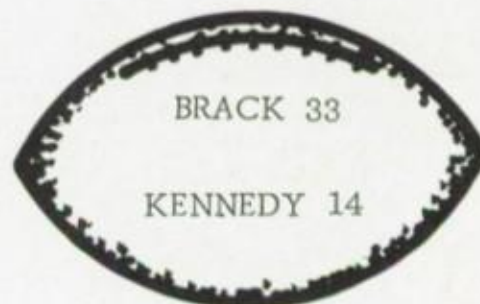

Eagles Take Opening Four

Seniors lighted the Eagle pathway to victory as three of them hit pay-dirt to score Brack's touchdowns against Fox Tech. Behind the tough Eagle line and its swift, shifty backfield, Gregory Oliver, Charles Duke, and Elvin Gant scored touchdowns. Oliver ran for 16 yards, Gant tallied on a one-yard plunge, and Duke scored on a 48-yard pass completion from quarterback Romeo Garza.

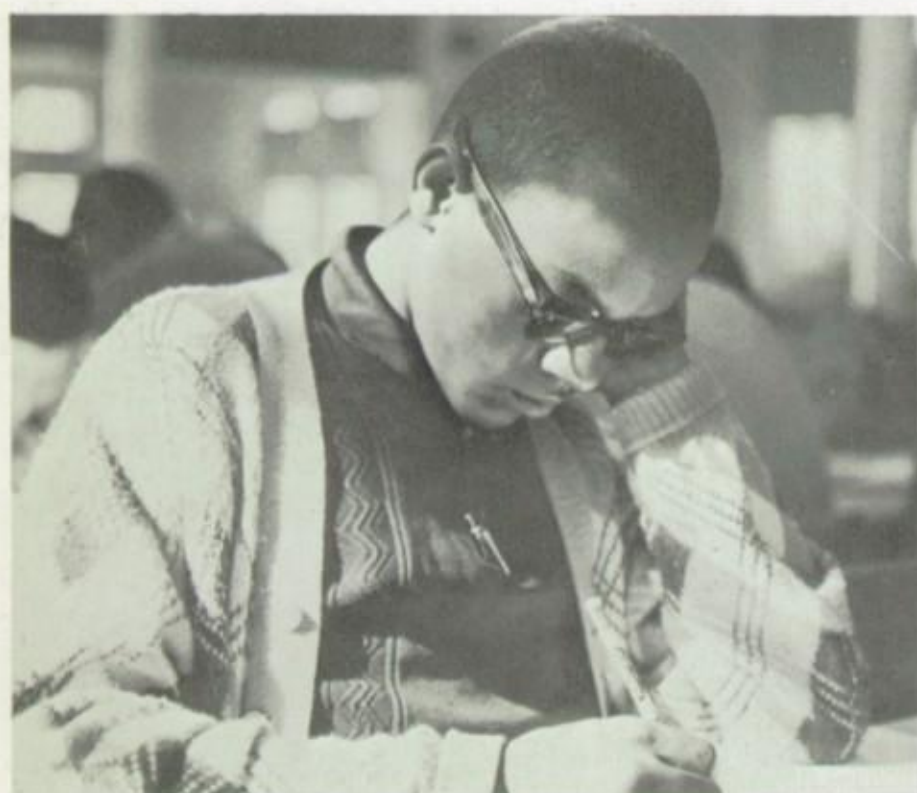

The Eagles displayed some of their many talents as they came from behind to take an impressive victory from the Burbank Bulldogs. Fullback Gregory Oliver and tailback Jimmy Wilson sparked the Eagle team, scoring two touchdowns each.

The Eagle eleven, led by tailback Elvin Gant, racked up 20 points before going into the locker room at halftime. The Warbird speedster picked his way through would-be tacklers to score two Brack touchdowns. Tailback Jimmy Wilson also crossed the goal line for Brack. Second quarter scoring was made through the air as quarterback Romeo Garza connected with Larry Arnold and Charles Duke for two more scores. Extra point duties were handled by Arnold.

Victories Over Rams, Voks, Pre-Season Favorite

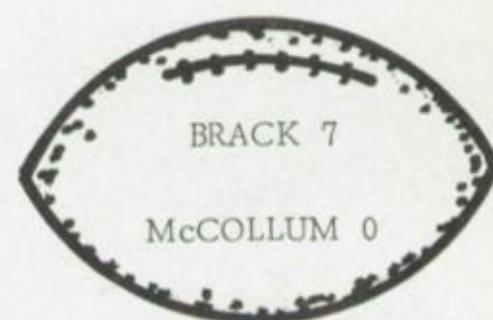

Defense was the name of the game as the Eagles clashed with the Rams of John Marshall. There were several defensive heroes for Brack as the Eagles walked away with a 13-6 victory.

Fullback Gregory Oliver and Tailback Elvin Gant were offensive workhorses for the Warbirds, but only Oliver was successful in scoring against the Rams. He took a pitchout from quarterback Romeo Garza to scamper 40 yards for the first TD. The last Brack score came in the fourth quarter when the driving fullback rolled around right end from the ten and crossed the goal line with a hoard of Rams in hot pursuit.

Right: Eugene Glasco (43) stops Marshall's quarterback Dirk Maddox (15) after a short gain on an end around. Below: Tailback Eugene Shropshire (21) scrambles for extra yardage before being tackled by a bevy of Lanier defenders.

McCollum Boost Eagles to 16-AAAA Championship

It took nine plays after a fumble recovery by end Herman McClure for the Warbirds to score all they needed to upset the McCollum Cowboys and send the sports writers back to the drawing boards.

The score was made when Romeo Garza pulled a quarterback sneak past the McCollum front wall to reach that promised land called the end zone. Larry Arnold kicked the extra point to cap the victory for the Eagles, who were picked by pre-season polls to come in second behind the Cowboys in the District 16-AAAA race.

The high and mighty Warbirds cleared another hurdle as they approached the home stretch with only three games to go. Led by hard-rushing linemen, the Warbirds managed to cool the toe of Lanier's Cecilio Lara, holding him scoreless on four kicking assignments.

Brack scored first when senior fullback Gregory Oliver carried the pigskin over from one yard out. The other TD came in the fourth quarter as sophomore end Ray Walker, determined to hit paydirt, eluded the only man who had a shot at him and danced into the end zone after taking an over-the-middle pass from quarterback Romeo Garza.

Brack Has First Undefeated Season in 51 Years

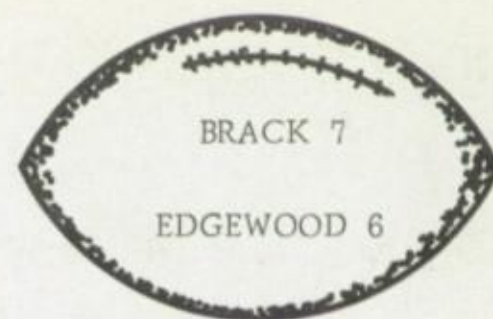

It was a blood-chilling victory as Brack's Warbirds traveled to Laredo for their eighth win of the season. High hopes and sound support backed the Eagles as they quieted the Tigers' growl in the closing minutes of play.

Romeo Garza, in the Eagles' last ray of hope, tossed a pass to end Ray Walker who scored the Warbird's only touchdown of the game. With this toss, the score was 7-6, Laredo.

But Laredo's lead was short lived, as the Eagles still had to try the conversion. Going for two points, end Charles Duke caught the victory pass thrown by Garza to give Brack the one-point edge over Laredo, 8-7.

Top: Eagle tailback Jimmy Wilson (20) picks up eight around left end as tackle Aubrey Warren (70) and guard Robert Williams (60) lead the way. Laredo's Joe Moreno (76) unsuccessfully lunges for Wilson from behind as an unidentified Tiger closes in behind Warren. Right: An unidentified Edgewood tackler finds it hard bringing down fullback Gregory Oliver as he dashes forward for extra yardage against the Red Raiders.

On the rain-soaked turf of Alamo Stadium, the Eagles slipped past the Edgewood Red Raiders, 7-6, in their second-to-last District 16-AAAA game.

A break came in the second half when quarterback Romeo Garza popped over the goal line on a quarterback sneak. This play was set up when end Charles Duke took a would-be intercepted pass from the hands of an Edgewood defender. The extra point was kicked by Larry Arnold to give the Eagles their second one-point decision in as many games.

Brackenridge made history Nov. 17, 1967, as they romped past the Harlandale Indians, 23-7. Not only did they wind up their first undefeated regular season schedule in the Eagles 51-year history, but they also got even with the Indians for last year's 8-7 upset.

With a quick offense and a tough, alert defense the Eagles ambushed the Indians from all sides. The first score came in the initial quarter when tailback Jimmy Wilson took an eight-yard pitch-out from quarterback Romeo Garza and beat all defenders to the goal line.

With only 39 seconds left in the second quarter Larry Arnold kicked a 21-yard field goal to make the score Brack-9, Harlandale-7.

With 40 seconds left in the game, end Randell Mosley intercepted a Harlandale pass and ran it back to the Indians' 17. Charles Duke, end, then took a 17-yard toss from Garza in the end zone to end the scoring.

Left: Split end Charles Duke scores the final TD against Harlandale on a pass from Quarterback Romeo Garza.

Eagles Take Bi-District; Drop Regional to Reagan

A near capacity crowd at Alamo Stadium watched the 16-AAAA Champion Brackenridge Eagles down 15-AAAA Champion Robert E. Lee in the 1967 Bi-District Playoff. There was solid hitting and tackling in the first half as the two teams played to 0-0 tie.

The Volunteers broke the ice in the third quarter as they scored their only touchdown of the game. As soon as the Warbirds got the ball on the next series of downs, people soon found out they should never underestimate a Brackenridge team. Tailback Larry Arnold came from out of nowhere to haul in a 30-yard pass from quarterback Romeo Garza on the Lee 15, and then outrun two defenders to hit paydirt for the Eagles.

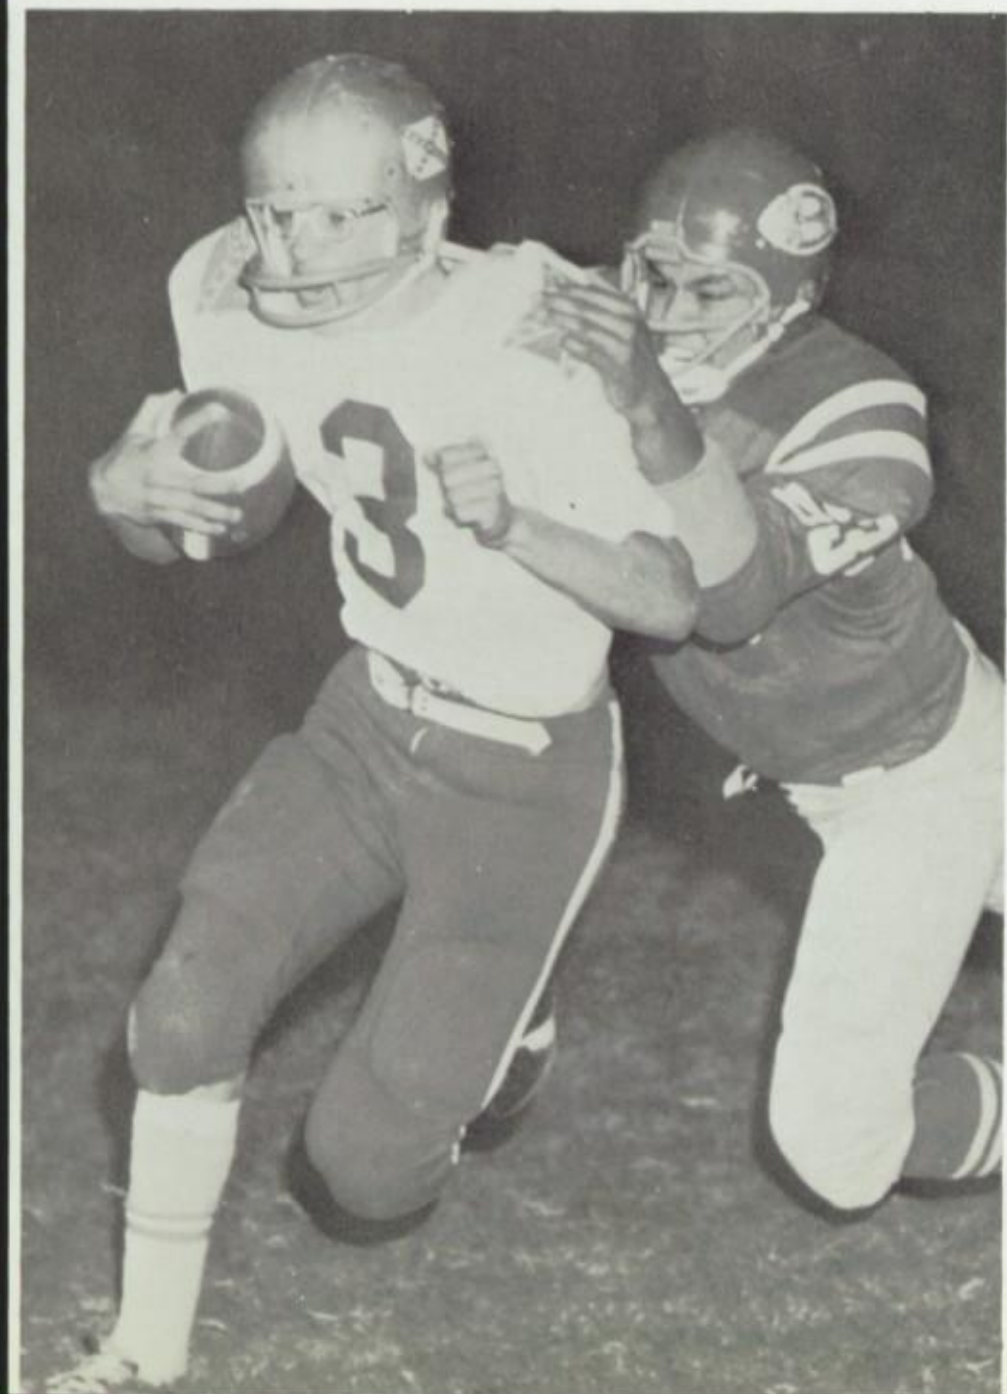

The next time the Warbirds got the ball they scored on a one-yard plunge by Garza. The Eagles later wrapped up the game in the fourth quarter as tailback Elvin Gant rolled over from the one for TD number three for Brack.

The Eagles met their match as they clashed with the Raiders of Austin Reagan in the Class AAAA quarter-finals. The Warbirds fought valiantly, but to no avail. They managed nearly to halt the Raiders passing game as they dropped Reagan's quarterback on several plays.

Reagan's halfback, Ronald Easley, proved to be the biggest threat as he bulldozed his way through the Warbird defenses to score all three touchdowns for the Raiders. The nifty back stunned the near capacity crowd with his running and ability to elude would-be tacklers. (Continued on page 41.)

Above Left: Quarterback John Kleinbert (11) of Austin Reagan is hit at the line of scrimmage by the right side of the Eagle line as he struggles to pick up a first down. Left: Lee quarterback Mike Melzow finds it hard to run while in the grasp of Eagle guard Richard Zuniga. Melzow was thrown for several losses by Zuniga and other Eagle linemen throughout the game.

Reagan beat Houston Bellaire, one of the top-rated teams in Texas, 42-6, in the state semi-finals. The Raiders later went on to capture the 1967 Texas AAAA Football Championship, defeating Abilene Cooper, the team which held the top spot in State high school football ratings for three months, 20-19.

The purpose of the B-Team is to teach the Eaglets the fundamentals of football and to prepare them for advancement to the varsity squad.

Students also serve on the B-Squad in order to gain the experience which will enable them to fill a vacancy on the Eagle Varsity.

This year's Eaglets posted a 5-0-1 district record and a 5-2-1 season record.

Last year's district co-champion Eagles got off to a victorious start as they made their first-round bid for this year's 16-AAAA title by beating the Memorial Minutemen, 105-38. Senior George Price led the way as he put the ball through the hoop for 18 points to pace the Eagles in giving the first-year Minutemen a rough initiation to the district. In their second meeting, the final score read 97-37 as the Warbirds scored almost at will. Price was again top basketmaker with 25 points.

In their first district meeting, the Eagles defeated the Edgewood Raiders, their toughest north zone opponents, 72-65. The high-point position was shared by Travis Lackey and Price, each scoring 21 points. They were followed by Aresteen Young with 17. Their second meeting found a changed complexion as the Raiders handed the Warbirds their first district loss, 65-64. Price racked up 32 points to be the high point man for the Birds, followed by Lackey with 17.

Brack Splits With Raiders to Tie for Zone Lead

The Mighty Warbirds finished first in the Hemis-Fair Division of the San Antonio Invitational Tournament by defeating the John Marshall Rams, Edison Bears, Edgewood Raiders, and Austin McCallum Knights.

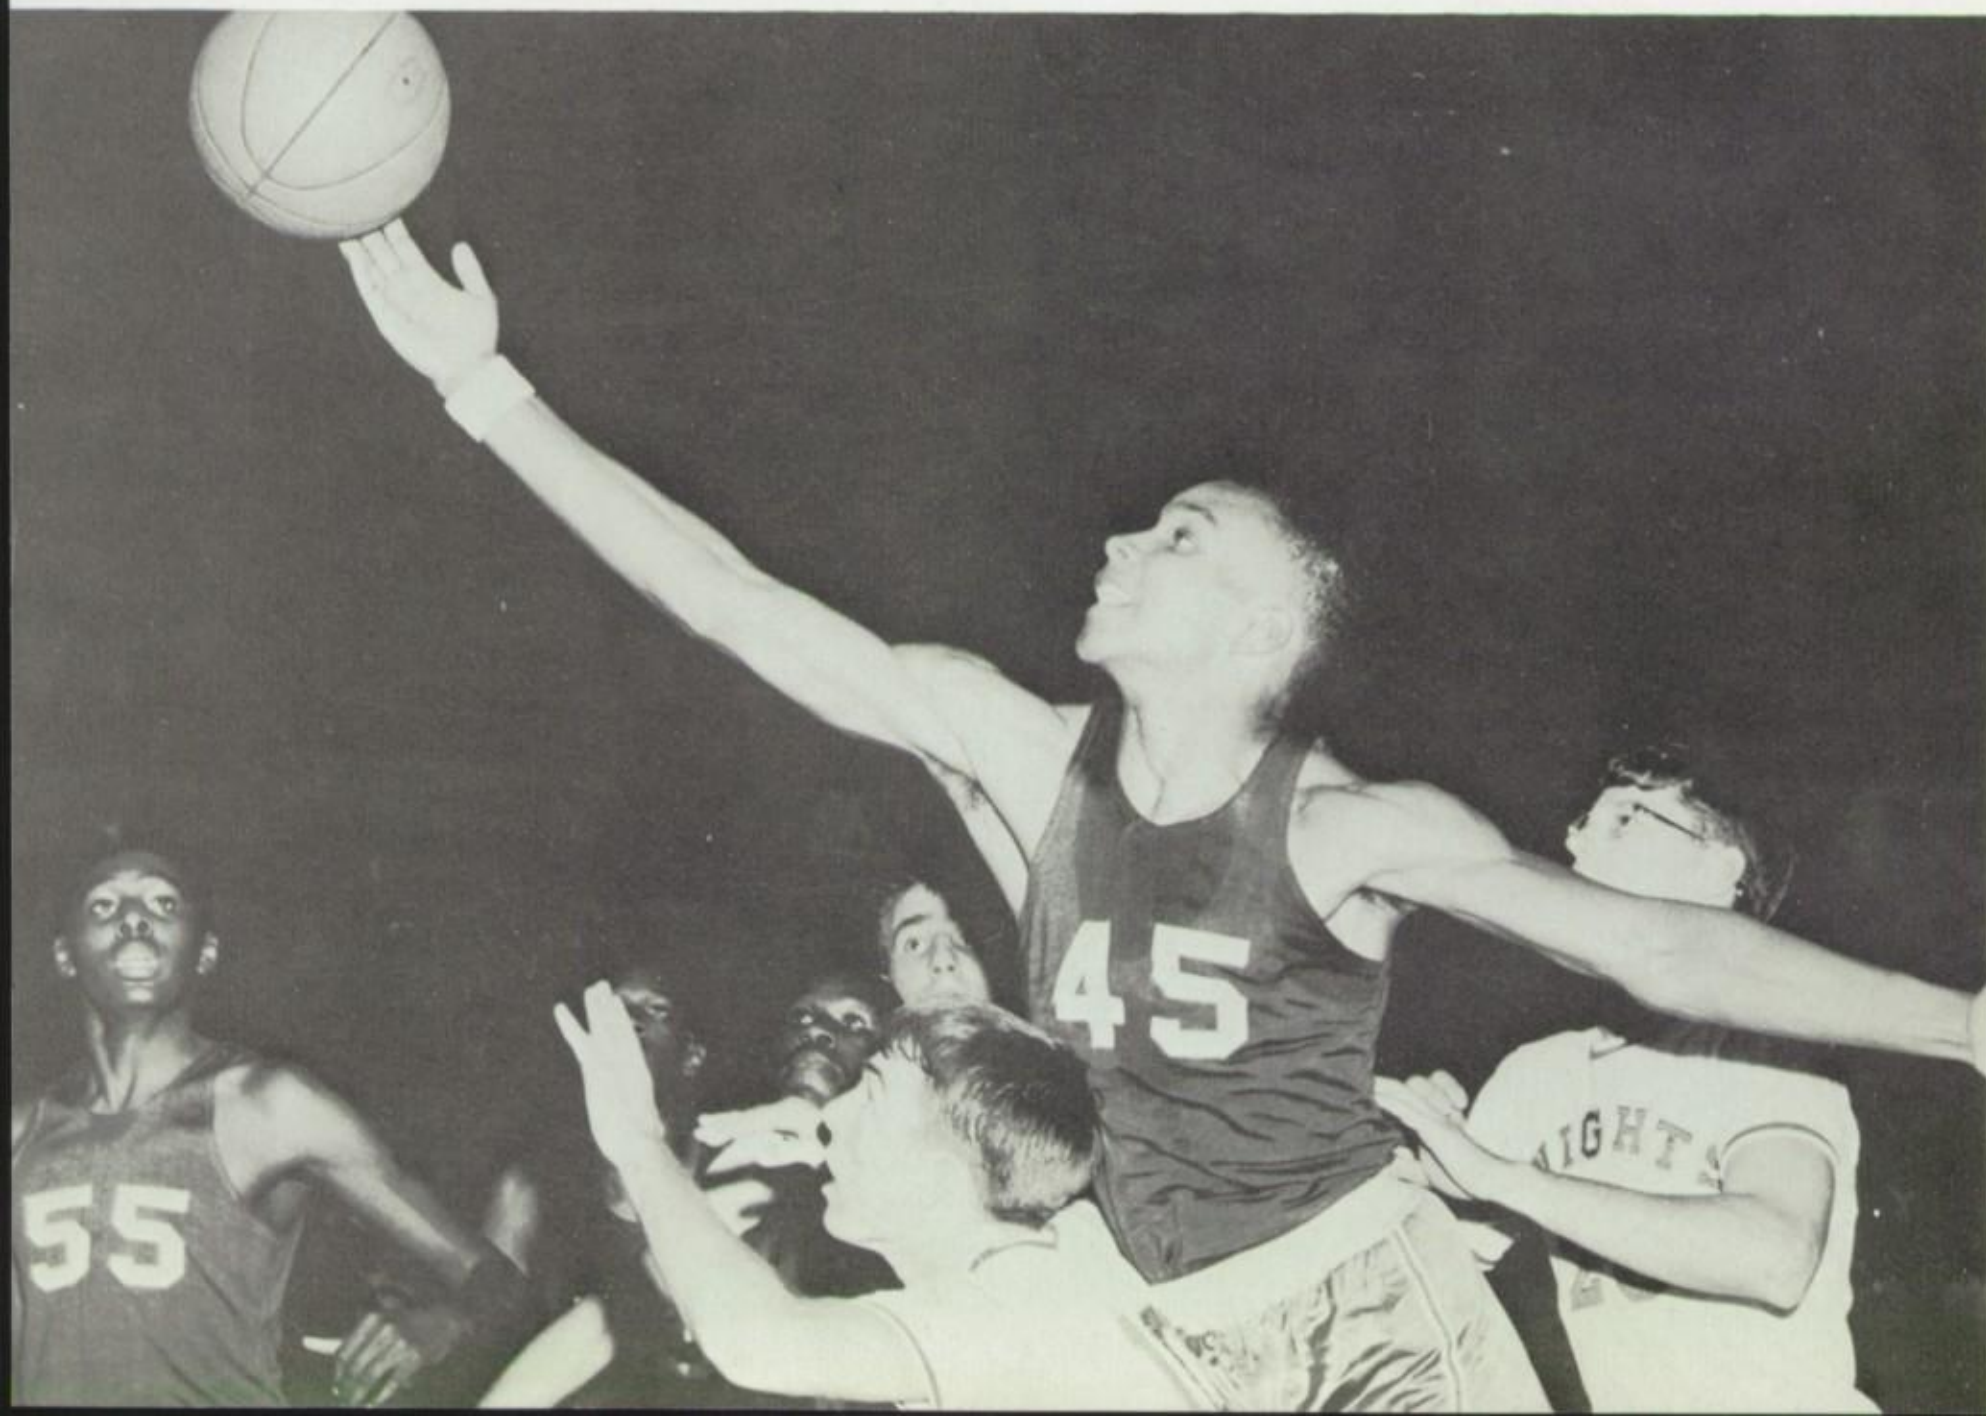

In the first game of the tournament against the Rams, three Eagle cagers hit double figures. Guard George Price scored 30, center Travis Lackey, 13, and guard Aresteen Young, 11.

The Warbirds went on to smother Edison, 73-51, with Price, Lackey, and Wayne Koontz scoring 26, 16, and 11 points, respectively.

Next, Brack knocked off the previously undefeated Edgewood Raiders, 64-56, in the semi-final game. Lackey, Price, and Koontz again led Eagle scorers with 25, 23, and ten points, respectively.

In the championship game against the Knights, post man Lackey emerged as the hero, as with only seven seconds of play to go, he scored the winning goal to end the game on a victorious 52-50 note for the Eagles.

Feats such as this (below) by Aresteen Young (45) and ball control (left) by Travis Lackey (55) enabled the Warbirds to slip past the Austin McCallum Knights in the championship game of the San Antonio Invitational Tournament, 52-50.

Cagers

Eagle Guard George Price again led the way as the Warbirds pounded the Harlandale Indians, in their initial bout, 67-38, then 81-39, in the rematch. Price was top net-tangler in both games, scoring 38 points in the first game and 26 points in the rematch. He was followed by Jackie Sommers with 17 and Travis Lackey with 16.

Lanier's Voks found the going rough as they were defeated by Brack twice, 69-55 and 65-53. George Price, Travis Lackey, and Wayne Koontz were top bucketeers in the first game with 18, 17, and 16 points, respectively. Price led with 19 points in the second contest which was highlighted by the Warbirds alert defense.

Win Eight From Indians, Voks, Holmes, Jay

A rematch between last years' 16-A AAA co-champion Brack Eagles and Holmes Huskies found the Warbirds the decided victor as they flew past the Huskies, 69-56 and 78-52, in two district tilts. George Price and Wayne Koontz led scoring in the first game with 25 and 17 points, respectively, while in the second game Price, with 34, and Jackie Sommers, who hit for 20, were top basketmakers.

George Price and Travis Lackey led the Warbirds to an 82-40 win in the first game with district novice John Jay, as each scored 18 points. In the second game sophomore Jackie Sommers topped all scorers, also scoring 18 points, with the final score reading 72-39.

January Ends With Flood, Faculty Changes, Dress

Above: Eagle guard George Price (42) outleaps two Edgewood defenders to rake down a rebound in the 16-AAAA North Zone Playoff Game.

With the two teams in the same zone carrying identical 11-1 district records, there's only one way to decide the winner--hold a playoff. And so it was when Brack met the hot-shooting Raiders of Edgewood in the district 16-AAAA North Zone title game. The Eagles came out on top, defeating Edgewood 68-65, and Eagle scoring ace George Price netted 34 points to be the game's leading basket-maker.

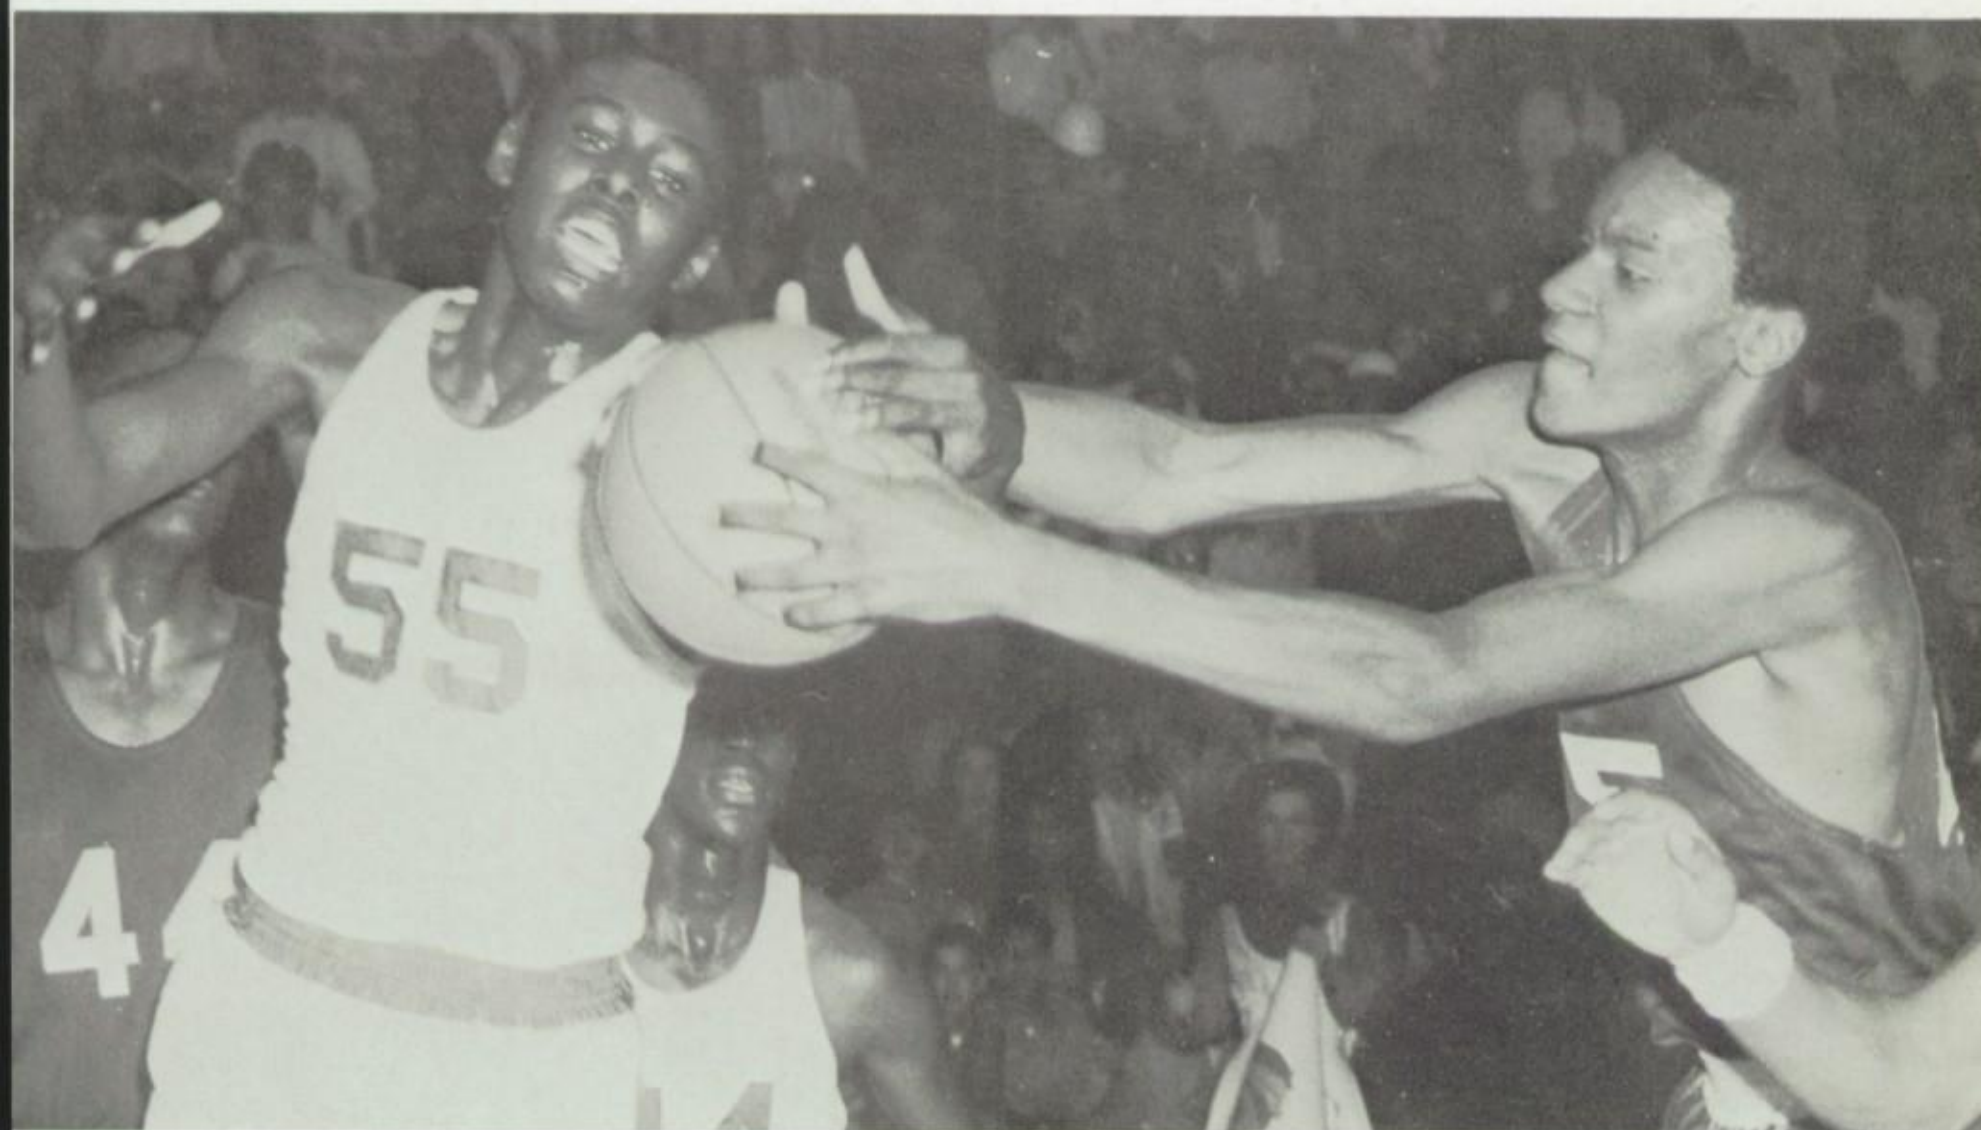

The John Marshall Rams, hoping to de-throne the Eagles, fell a little short as they were defeated by Brack, 67-59, in the district 16-AAAA Championship Game. The first half was tight one, with the score locked at 31-all at the half.

But the Warbirds really laid it on after the break as George Price was again the top scorer with 30 points. He was followed by Jackie Sommers who hit for 18, and Travis Lackey with 10.

Above: Travis Lackey (55), Brack's center and leading rebounder, grabs a mis-fire by the Ram's Carl Cody (20), in the District Championship Game against John Marshall.

Eagles Take Zone Title From Rams, Raiders

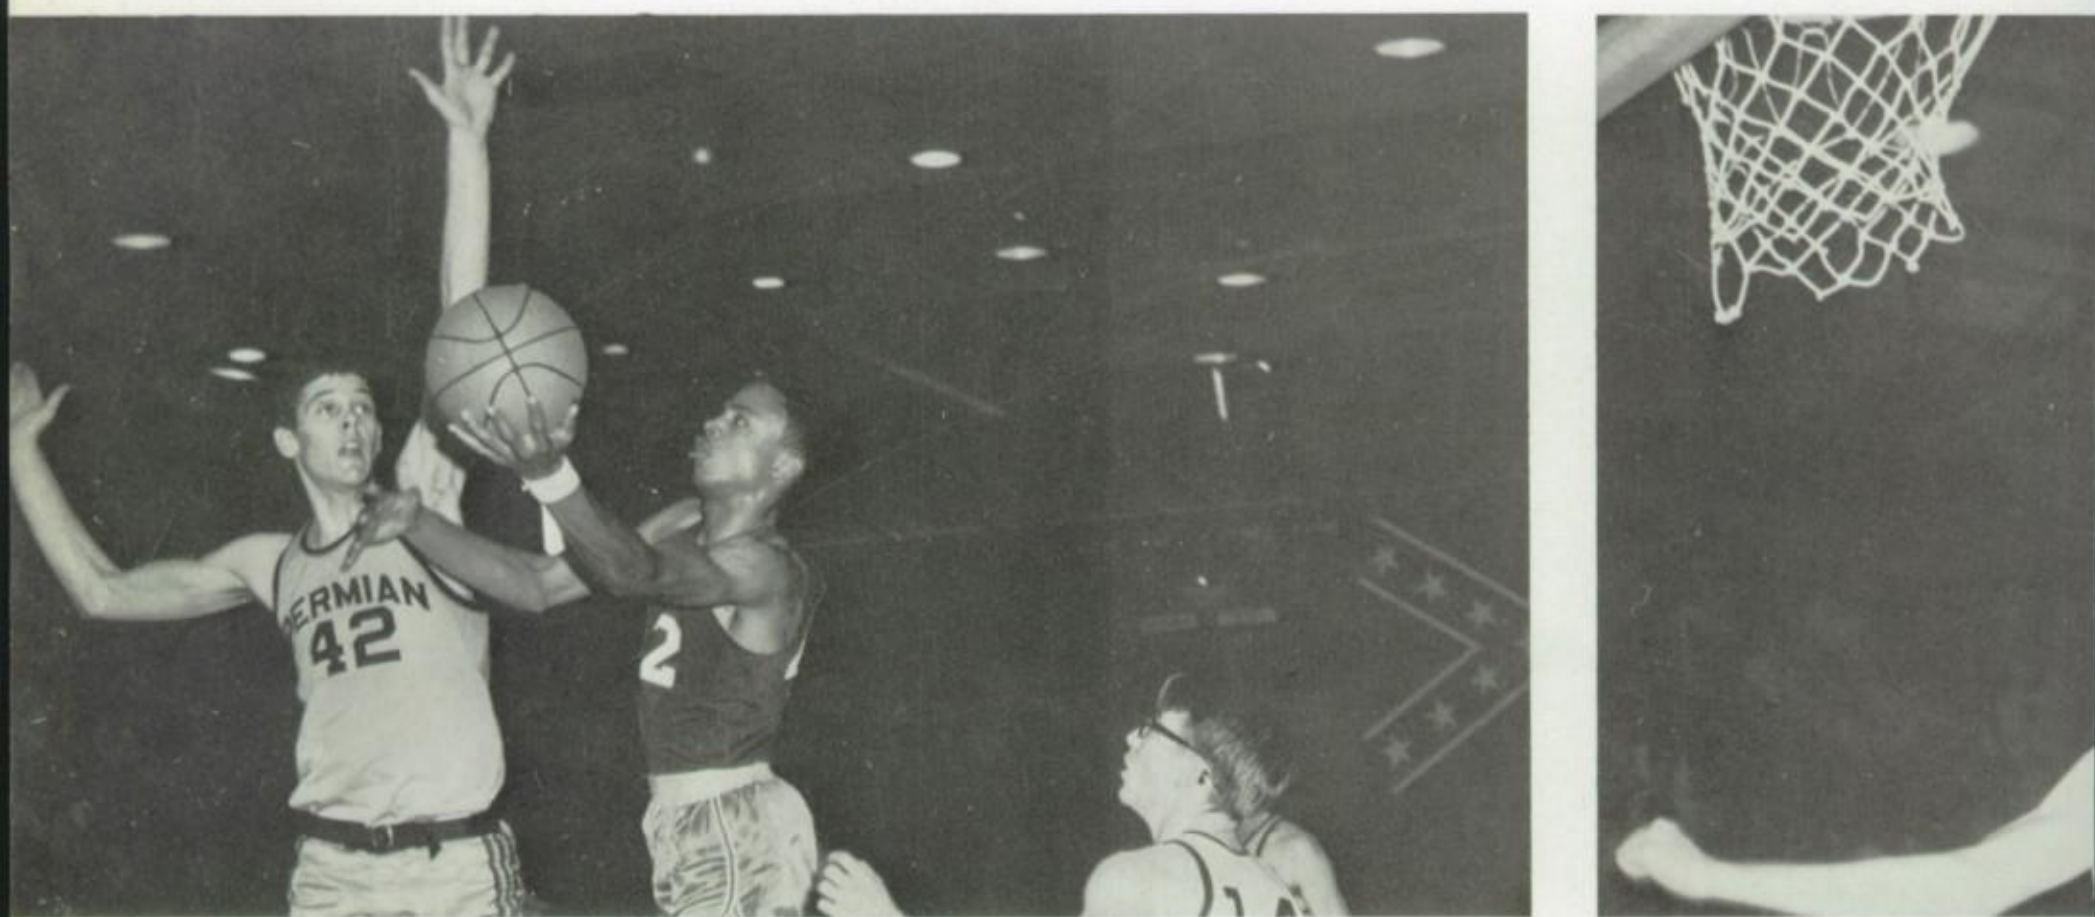

It was anybody's game when the 16-AAAA Champion Eagles clashed with the 15-AAAA Champion Sam Houston Cherokees in the Bi-District Game at Alamo Stadium. Over 4,000 fans, continuously on their feet, watched a game that had more thrills and excitement than a three-ringed circus. Neither team dominated the game as the lead changed hands 12 times.

Eagle guard George Price was the game's leading scorer with 33 points, but the real hero was sophomore Jackie Sommers, who with only three seconds left on the clock, hit a 20-foot jump-shot to give Brack a 73-71 victory and the Bi-District Championship.

Cagers Win Regional; Scramble for Third in

Above and Right: Brack's top scorer George Price shows his winning style as he sinks a field goal against Odessa Permian (above) and goes in for a lay-up against Corpus Christi Carroll (right).

A capacity crowd of screaming fans watched the mighty Eagles down Corpus Christi Carroll, 81-80, in a miraculous, come-from-behind effort in the Regional battle which sent the victor to the State Tournament in Austin. The Warbirds played catch-up ball throughout the game until the last few minutes of the fourth quarter. Sparked by the "sophomore sensation," Jackie Sommers, and the Eagle's top basket maker, George Price, the Eagles down by 12 points with only a little over two minutes of play left, fought their way into an overtime period with the score standing at 72-all.

During the last seconds of the overtime, Sommers came through for the 'Birds with a three-point play to give Brack the victory and a berth in the State playoffs. Price and Sommers led scoring with 40 and 23 points, respectively.

The Eagles fought valiantly, but came up on the short end of a 77-68 score when they met the Dallas Jefferson Rebels in the State Tournament semi-finals in Austin. George Price was again leading scorer as he hit for 34 points. He was followed by Jackie Sommers and Travis Lackey with 12 each.

Brack placed third in the state by beating Odessa Permian, 57-56. Three Warbirds hit double figures. Price scored 25 points, Lackey, 15, and Sommers, 12. The last game of the Eagles' long and successful season came to a glowing finish as Brack's scoring ace, Price, tangled the nets for a whopping total of 1,009 points for this season.

Third-Year Batmen Contenders for District Title

Baseball is back at Brack for the third consecutive year after over a quarter-century's absence. The Eagle batmen are under the coaching of Mr. Harold Singleton, who was a pro-baseball player himself. Mr. Singleton has coached many good teams, and the Warbirds are no exception.

The players work out daily during sixth period and after school on campus and at various ballparks. Batting, infield and outfield drills, timing and alertness are among the routines practiced daily by the players.

The Olmos Basin and Hi-Lyons diamonds are among the sites of competition when the Eagles take the field against a foe.

'All-Everything' Price Sets City Point Record

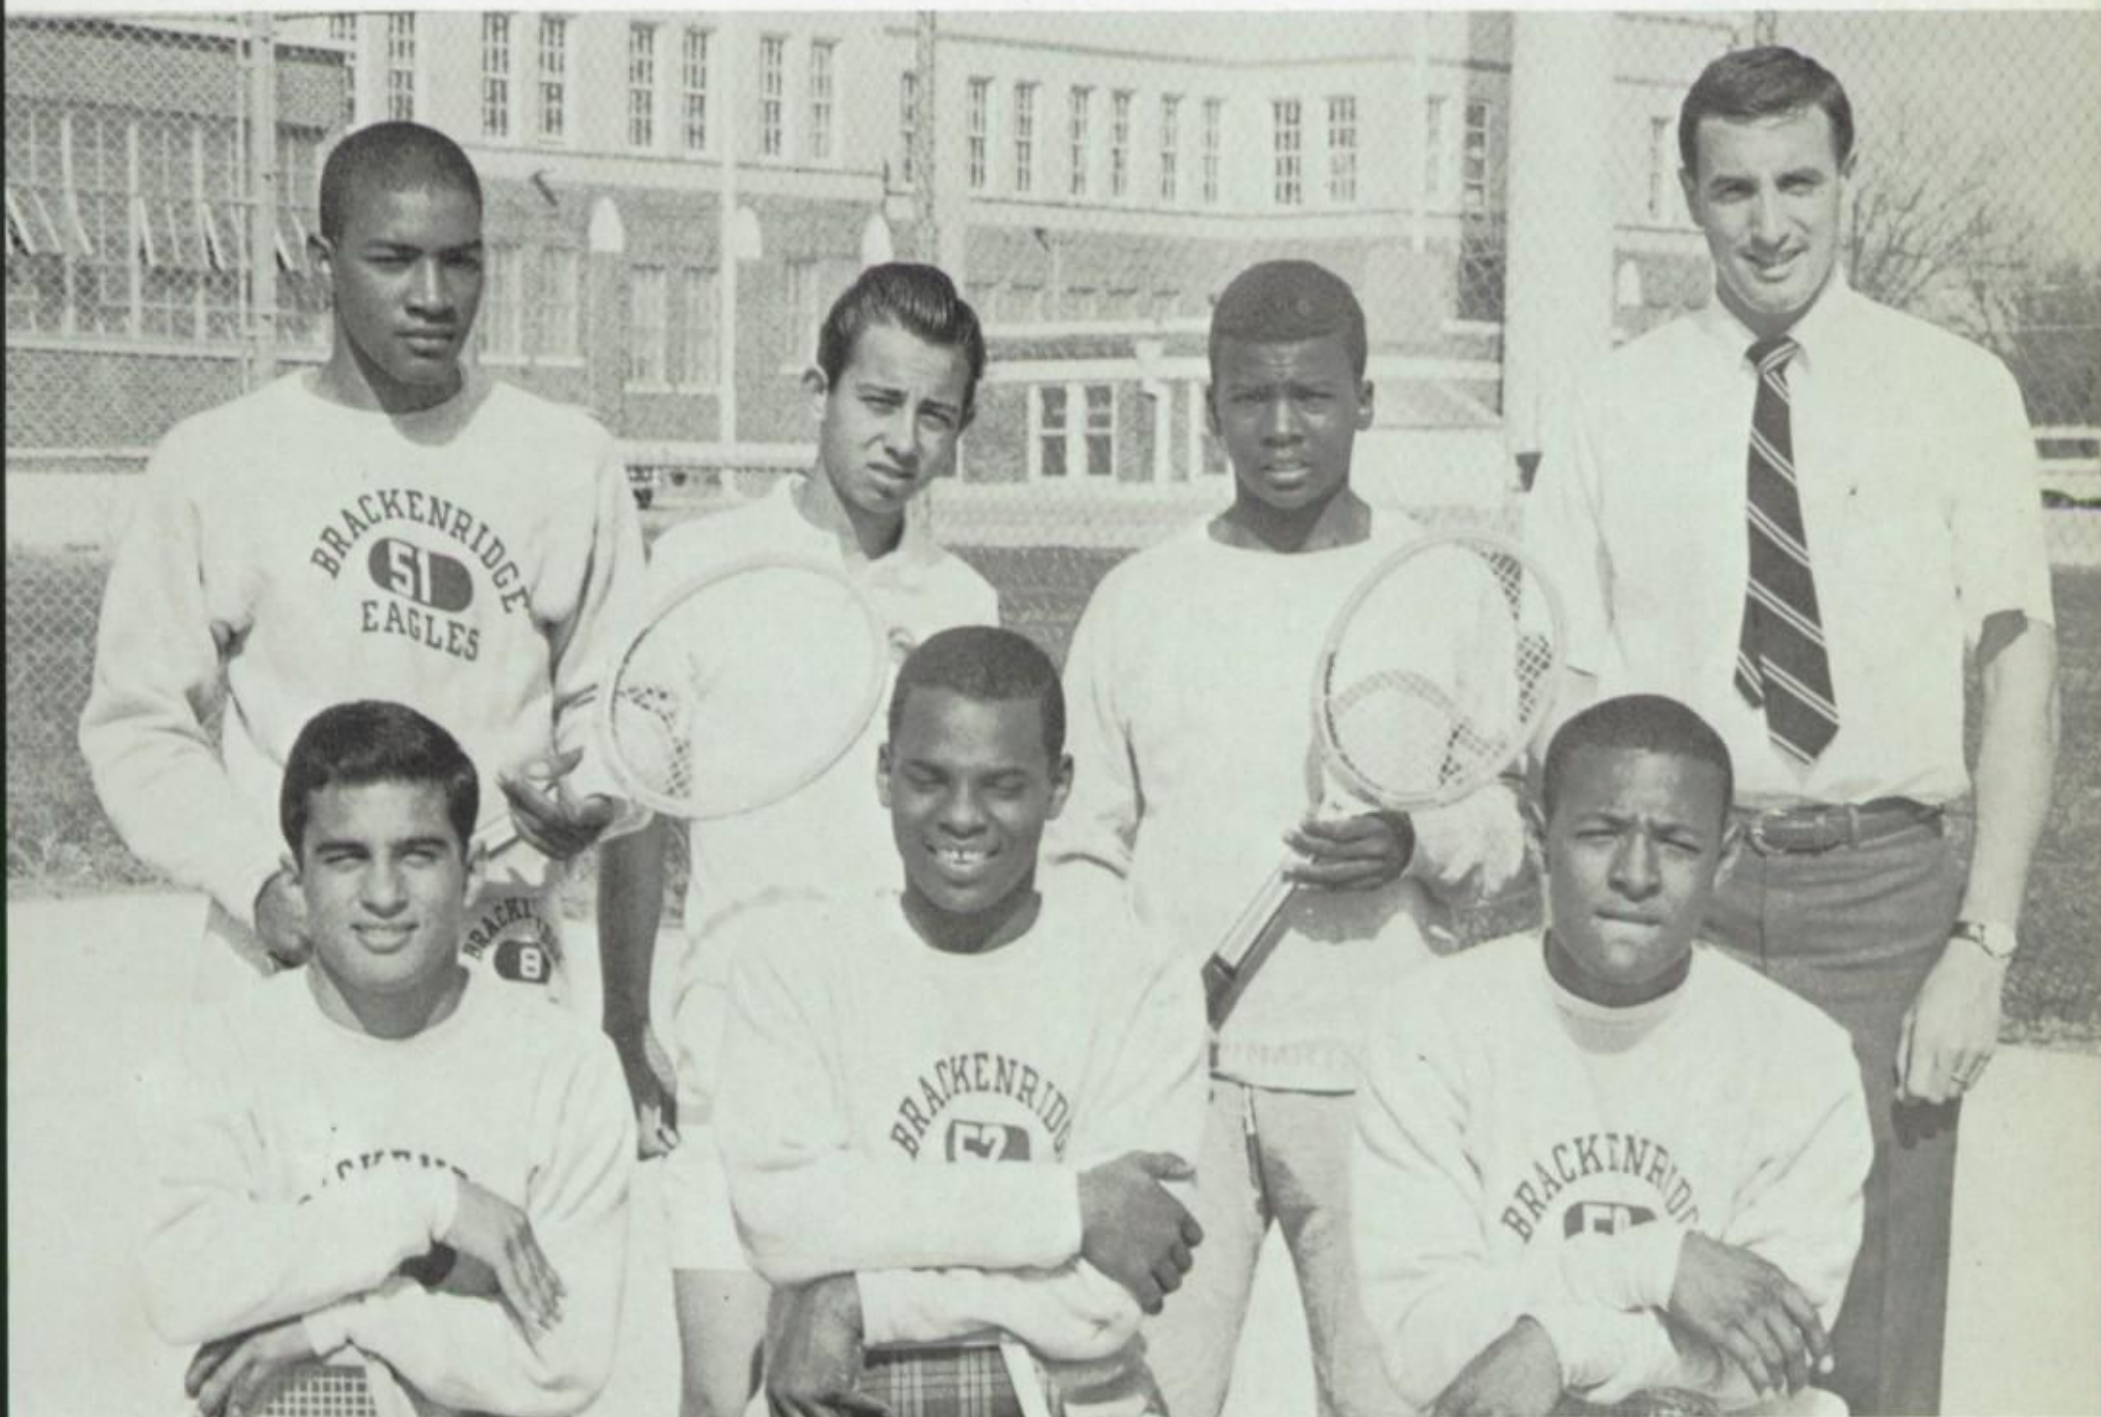

George Price (L) was the most valuable basketball player Brackenridge had this year. In addition to being tied for "top-vote-getter" on the All-State team, he was unanimously named to three different All-City teams, those of the San Antonio Light, San Antonio Express-News and WOAI-TV. He was also named to the Class AAAA State All-Tournament team and to the 16-AAAA All-District team for the second year.

Price's total points for the season were 1,009, and he averaged 28.8 points a game in leading Brackenridge to a 31-4 season, and a third place finish in the state. He was also the second leading rebounder, at six-feet, one-inch, with an average of 7.6 retrieves per game.

George was named Most Valuable Player on the 1967-68 Eagle basketball team, a distinct honor since this award is determined by vote of the team.

Under the leadership of Superintendent Oscar E. Miller and Assistant Superintendent A. W. Norton, the district has seen many improvements and additions, including a special education program, increased audio-visual facilities, new schools and the enlargement of many others, a second vice principal in all high school and in many junior and elementary schools and the construction of a School of Tomorrow in connection with HemisFair 68.

Mr. Miller and Mr. Norton also directed the successful passage of a \$35 million bond issue in January which will be used for the construction of three high schools, six junior schools, and seven elementary schools.

In 1967-68 the central office administrators also supervised the activities of over 78,000 students and 6,000 employees.

School Administration, Supervise Varied Programs

'Language Coordination' Goal of English Department

According to Mrs. Mary Little, English department head, "The goal of the English teacher is to coordinate language, grammar, composition, and literature so that the student sees the relationship of all skills and does not feel each area is taught in isolation." The department is helped in carrying out these aims by the use of overhead projectors, vocabulary workshop books, and by various tapes and records of plays, speeches, and poems, along with special guidebooks available to all teachers through the Instructional Media Center in room 307.

The English department is divided into three sections: accelerated, regular, and modified. Three teachers this year also teach reading classes, devised to help students read better and faster.

Above: Mrs. Ruth Harris looks on intently as Rodrick Killebrew recites from Macbeth in an English IV section. Right: Mr. David Hildebrand, English II teacher, perches atop a ladder to direct Donny Forney and Maria Hughes (R) in reading "The King and I."

Reading Classes Improve Brackites' Skills

As a result of achievement tests administered during previous years, Brackenridge, in 1966, began devoting three faculty members to the teaching of reading. Two were former elementary instructors who were interested in teaching reading to students who had not received adequate instruction in reading.

Most students enrolled in one of the 15 reading classes also took modified English, but not all. The majority were also sophomores. According to Principal G. W. Mahan, 98% of the first-year students progressed from between three months to three years in ability, and about 25% were moved from modified to regular English classes.

The program is continuing this year, with two of the original teachers, Mrs. Loraine K. Martin and Mrs. Geneva Short, and one addition, Mrs. Lois Buchanan, conducting the program. About 250 students take reading, and no class has more than 20 members.

Equipment Aids Historians

American history transparencies, new film strips, new books in the library, a new record player, two new film strip projectors, and a record gift from the Department of the Navy, are a few methods by which the history department, headed by Mrs. Marjorie Bruington, helps to make the study of social studies more interesting for the 1,743 Brackites taking world and American history and government this year. Along with these additions, maps, globes, and overhead projectors are also used throughout the department to help bring the past, present, and future to the student.

Spanish Classes Divided

The Spanish department, aided this year by the use of the language lab is divided into two parts: Spanish for Spanish-speaking students and Spanish for English-speaking students. Its aim is not only to teach the student a new language, but to expose the student to the many different customs and geographies of Spain, Mexico and other Latin American nations.

Above: Looking about the room, Mrs. Alice Garlough, typing I and II instructor, checks posture and rhythm of her students. Right: Explaining how a five-minute speed test will be taken, Mrs. Carmelina Esquivel, typing instructor, also points out how it will be graded.

Business Trains for Careers

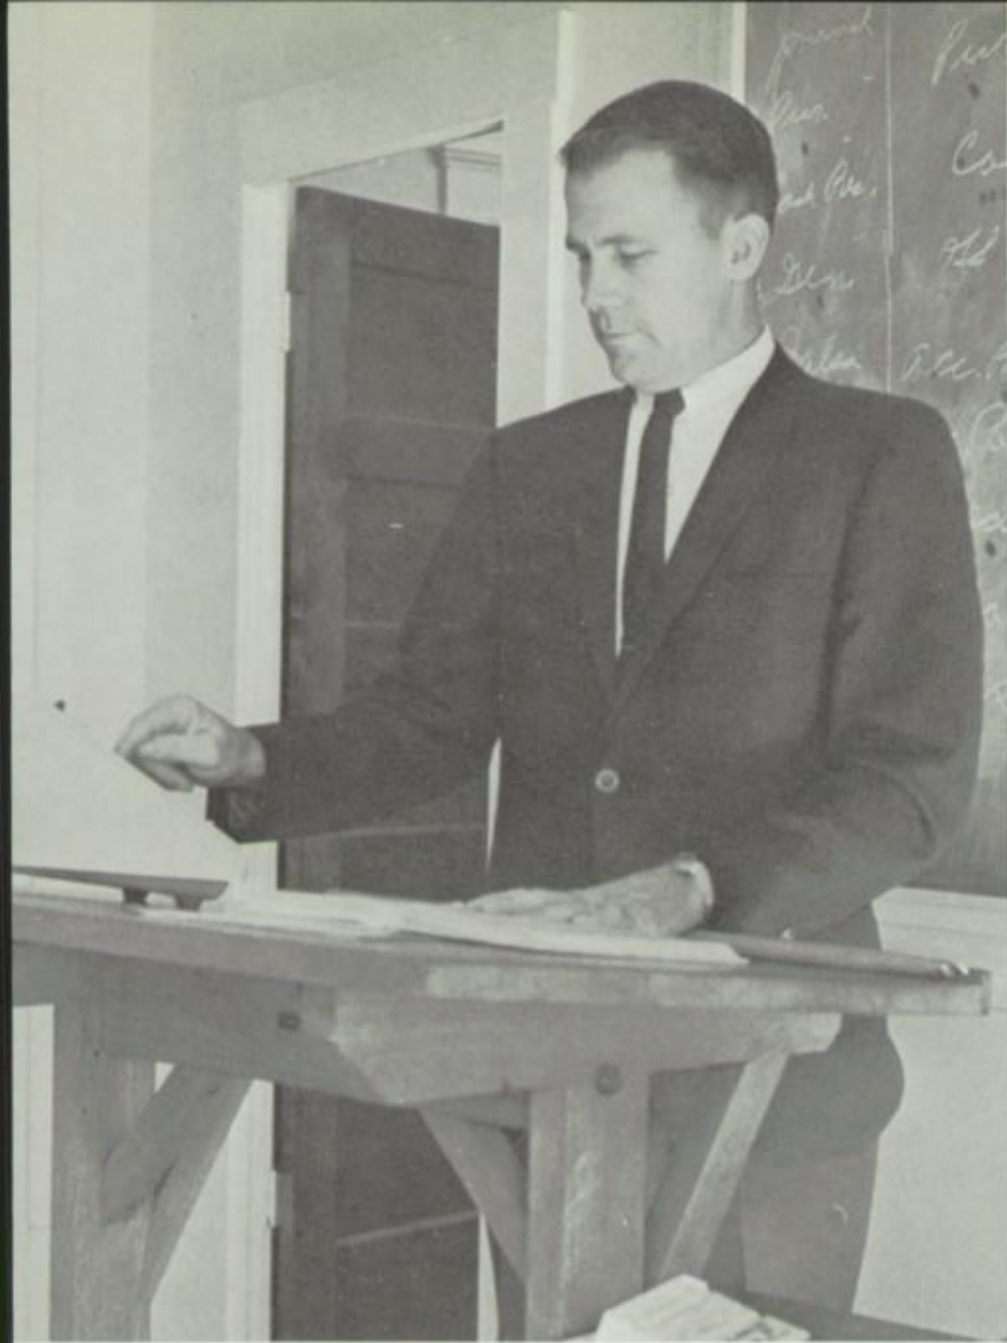

Preparing students who wish to go into the business and commercial field is the purpose of the four commercial department teachers here at Brack.

Mr. Johnny Taylor, bookkeeping instructor, teaches his students the fundamentals of accounting. Students learn these basics through actual experience in working with numbers, balancing books, and associating themselves with accounting problems.

Mrs. Paulita Tietze instructs her all-girl classes the basic know-how of office and secretarial work. Her classes offer steno I and II, business English and office practice to any student who desires to make the secretarial field her career.

Mrs. Carmelina Esquivel and Mrs. Alice Garlough, typing I and II instructors, also prepare their students in the commercial field. Speed drills and rhythm at the typewriter, and familiarization with the key-board and typewriter parts are a few of the basics taught by these typing teachers.

Left: With the help of an adding machine, Mr. Johnny Taylor, bookkeeping I and II instructor, works out some problems he will assign his students. Below: Mrs. Paulita Tietze, commercial teacher, instructs her steno II class in the day's lesson.

Fine Arts Include Music, Drama, Art

Under the heading of fine arts are found drama, art, and music.

The art of public speaking is taken by those students wishing to enrich their knowledge of the daily practice of conversation.

Here at Brackenridge this knowledge is exposed in the form of speech and drama.

Two-dimensional art, crafts, and commercial art are the three choices students have who take an interest in art. The purpose of the art department is to teach the student to appreciate all forms of art.

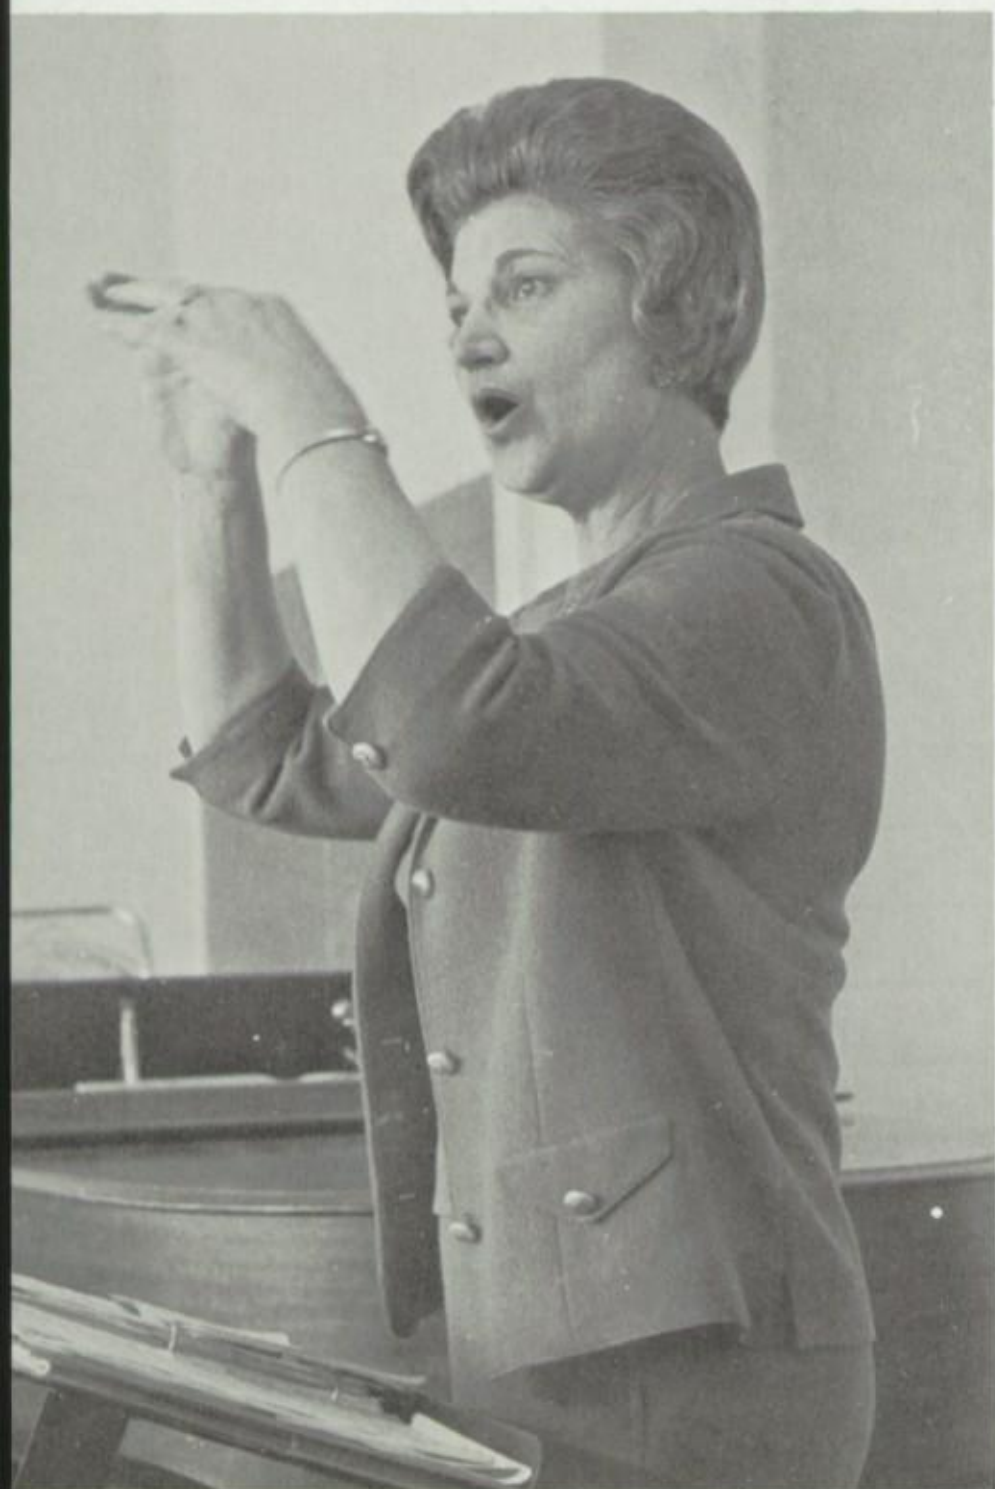

The music department strives to increase the students' knowledge of the musical aspects of art, as well as a fine knowledge of music itself.

Right: Band director, Mr. Julian Trevino, checks a trombone for surface flaws. Below: Norma Montemayor watches as Mrs. Florence Higdon, art instructor, shows her some projects of the crafts class.

Right: Mrs. Vera C. Elder, sewing teacher, instructs Teresa Sanchez in the proper way to hem a cuff.

Home Economics Teaches Good Food, Dress Habits

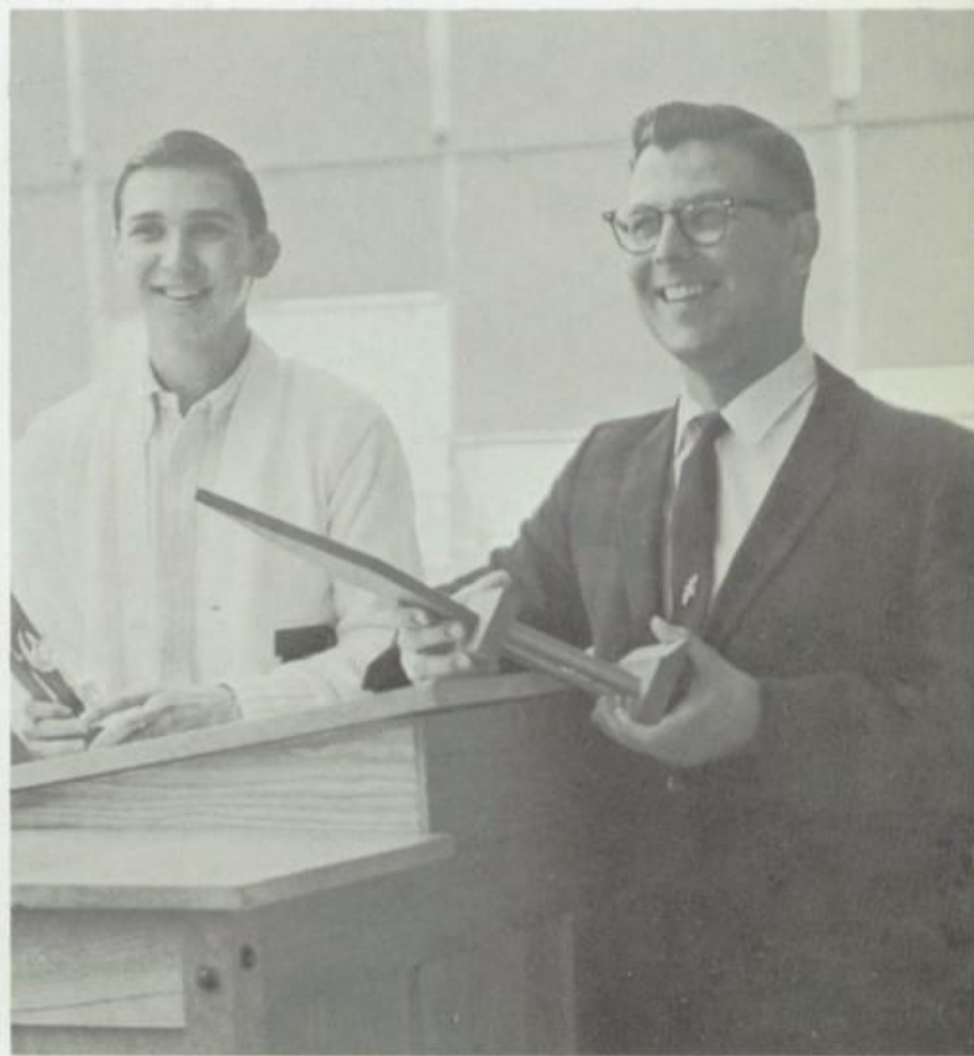

The home economics department, consisting of two sewing teachers and the foods instructor, strives to achieve many goals.

Clothing classes teach clothing construction, understanding the fabric, the selection of coming styles and colors, and also clothing management or what to wear and when.

The foods classes instruct students in the proper ways to manage a kitchen, correct diets, proper etiquette in table arrangements and safe kitchen habits.

Top Right: Sharon Johnson listens as Mrs. Elaine McKinstry, librarian, instructs her in preparing a research paper. Above: Mrs. Merrill S. Gates, study hall teacher, assists junior and senior students in the library. Left: Checking a book for coverage in a particular subject area, Mrs. Frances Gembler, librarian, looks to see if it's general, specific or particular information for an assignment needed by a student preparing a research paper.

Special Education Teaches, Finds Jobs for Students

Below: Finding jobs for special education students is only part of the job of Mr. Eli J. Rodriguez, special education coordinator. Right: Mr. Victor Flores, special education teacher, instructs Daniel Alvarez on the proper way to disassemble a rifle.

Above: Mrs. T. Bernice Evans (C) shows Eva Ramirez, Olivia Valdez, Maria Estrada, and George Ann Bausley (L-R) how to sew a Christmas stocking on net material.

Aides Support Faculty

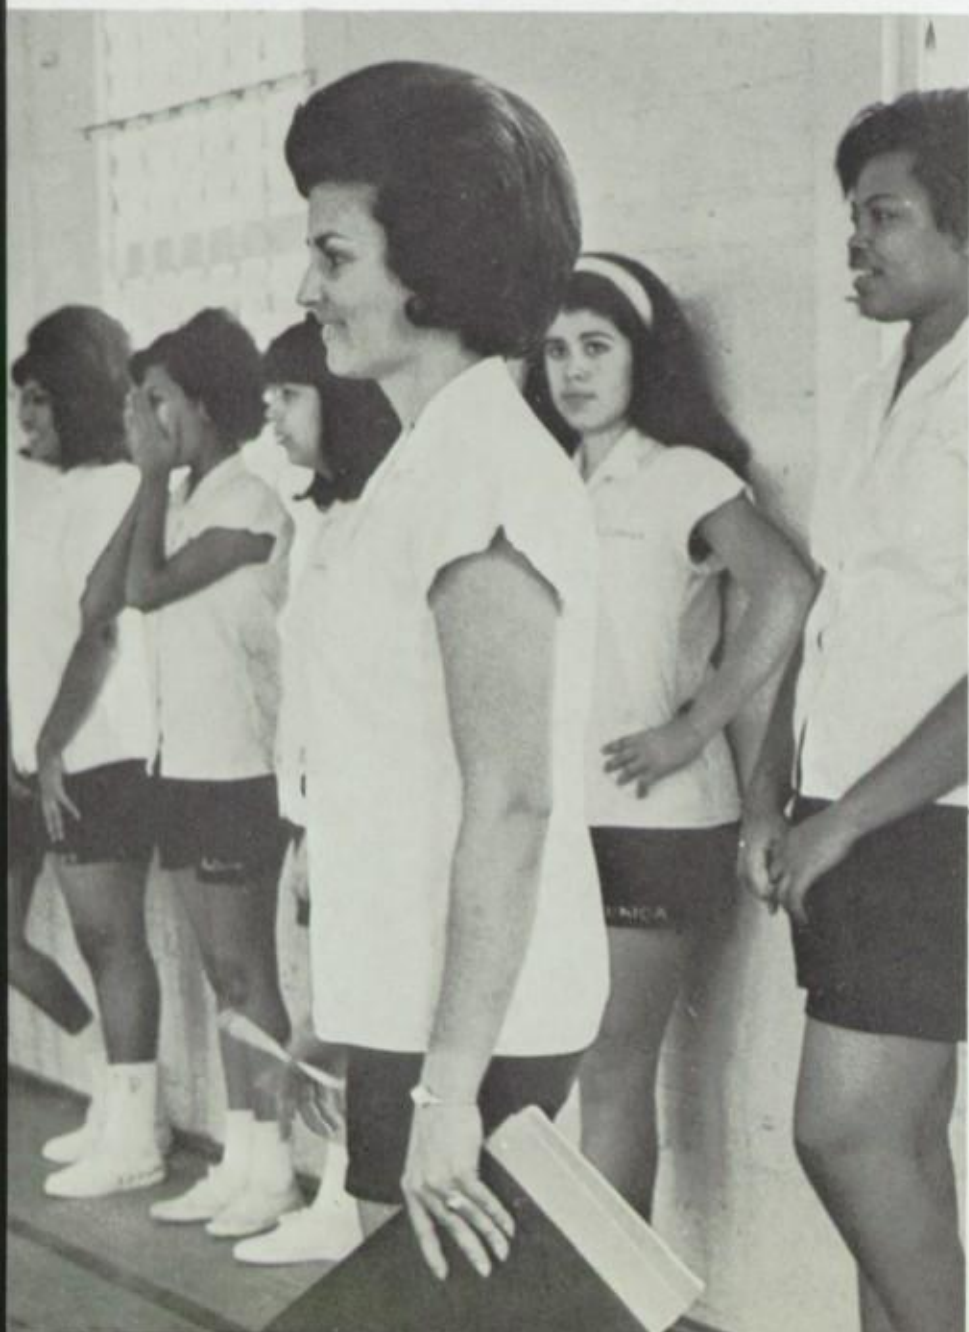

Here at Brack to assist members of the faculty are three aides, provided by the central office of the San Antonio Independent School District. They are Mrs. Irma Scariaffa, physical education, Mrs. Phyllis Newman, teachers, and Mrs. Eloise Palmer, counselor.

Mrs. Scariaffa assists Miss Vicki Johnson during physical fitness tests and referee's several sports activities.

Mrs. Newman provides mimeograph copies of material needed in all classes and is in charge of such equipment as projectors, records, and projection screens.

Mrs. Palmer checks permanent record cards of students in reference for the classes they need in order to graduate. She also makes available college literature for seniors to help guide them in choosing their futures.

Left: Mrs. Eloise Palmer, counselor's aide, sorts index cards for filing. Below: After typing the master copy of a test, Mrs. Phyllis Newman, teacher's aide, puts it on the mimeograph machine to be reproduced.

Left: Mrs. Irma Scariaffa, physical education aide, referees a game of German football.

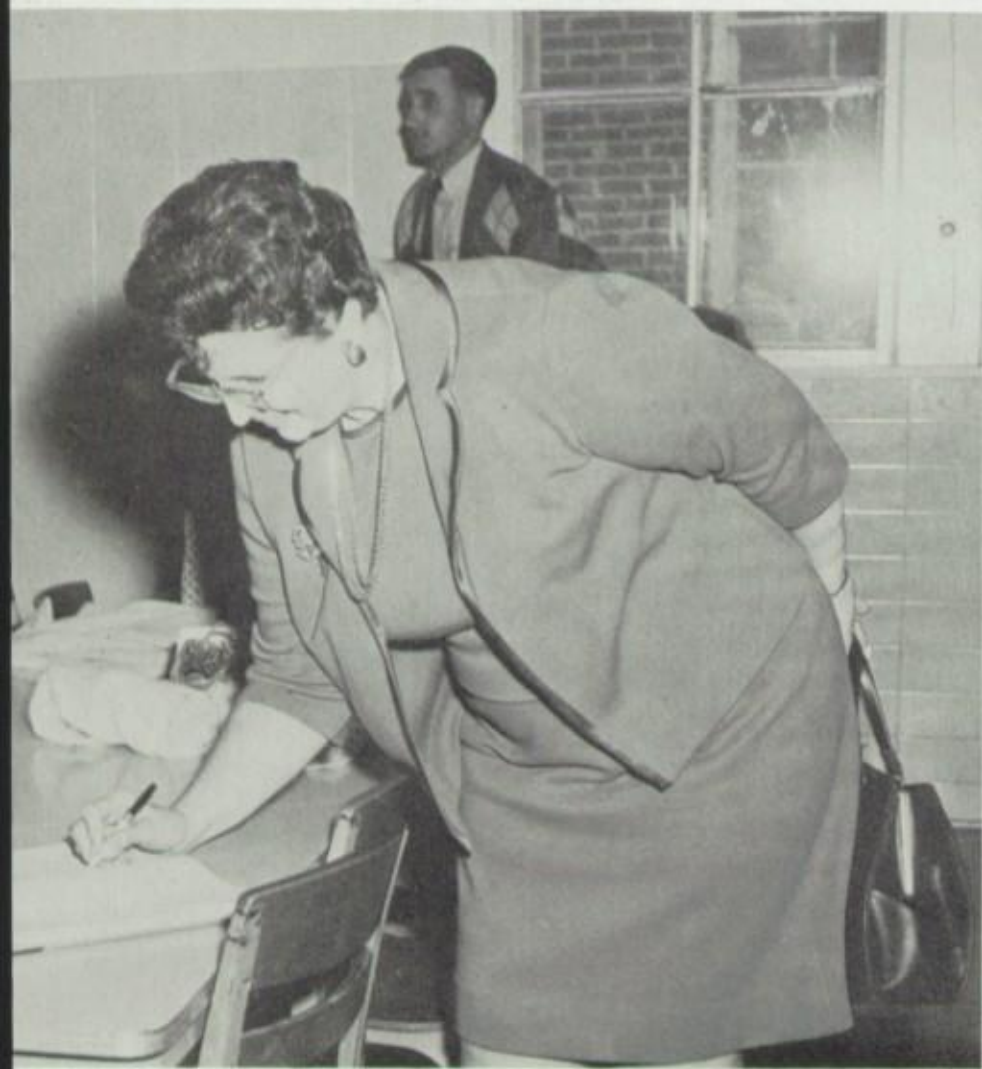

Secretaries, Nurse Vital to Daily Operations

Top Left: Mrs. Bonnye Anderson, registrar, types a student record that will be sent to an inquiring employer. Top Right: Checking the list of students who have lost books, Mrs. Lindy Braun, secretary, determines who has not paid. Above: Secretary to Principal George W. Mahan, Mrs. Sandra Vick, takes note of an item to be printed into the daily bulletin. Above Right: Rosalinda Arrevalo, checks an absentee list with Mrs. Alberta Prendergast, attendance clerk. Right: Mrs. Louise Shadrock, school nurse, prepares to give a student medical assistance.

PTA Promotes Understanding, Sponsors Activities

Top: Parents and teachers are served refreshments after a two pm PTA meeting in the school cafeteria. Above: Mrs. Paulita Teitze signs the guest list before entering an afternoon PTA meeting. Above Right: Officers and members of the Brackenridge PTA sample nachos prior to the annual PTA Mexican Supper. They are Mrs. Mike Casanova, Mrs. Gilbert Casanova, Mrs. Ramiro Trevino, Mrs. Ethel Minor, president; Mrs. Alfonso Serna, and Mrs. Jesse Sanchez (L-R).

Promoting a better relationship between parents, teachers, students, and the local community is the purpose of the Parent-Teachers Association. Membership to this organization also supports the school's budget. Mrs. Ethel Minor, president, said that this money enhances the growth of school activities. Scholarships are also given by the PTA to deserving students who wish to further their education. Activities sponsored by the PTA include a Mexican Supper in November and the Aloha Prom in May, the last social event of the year for graduating seniors.

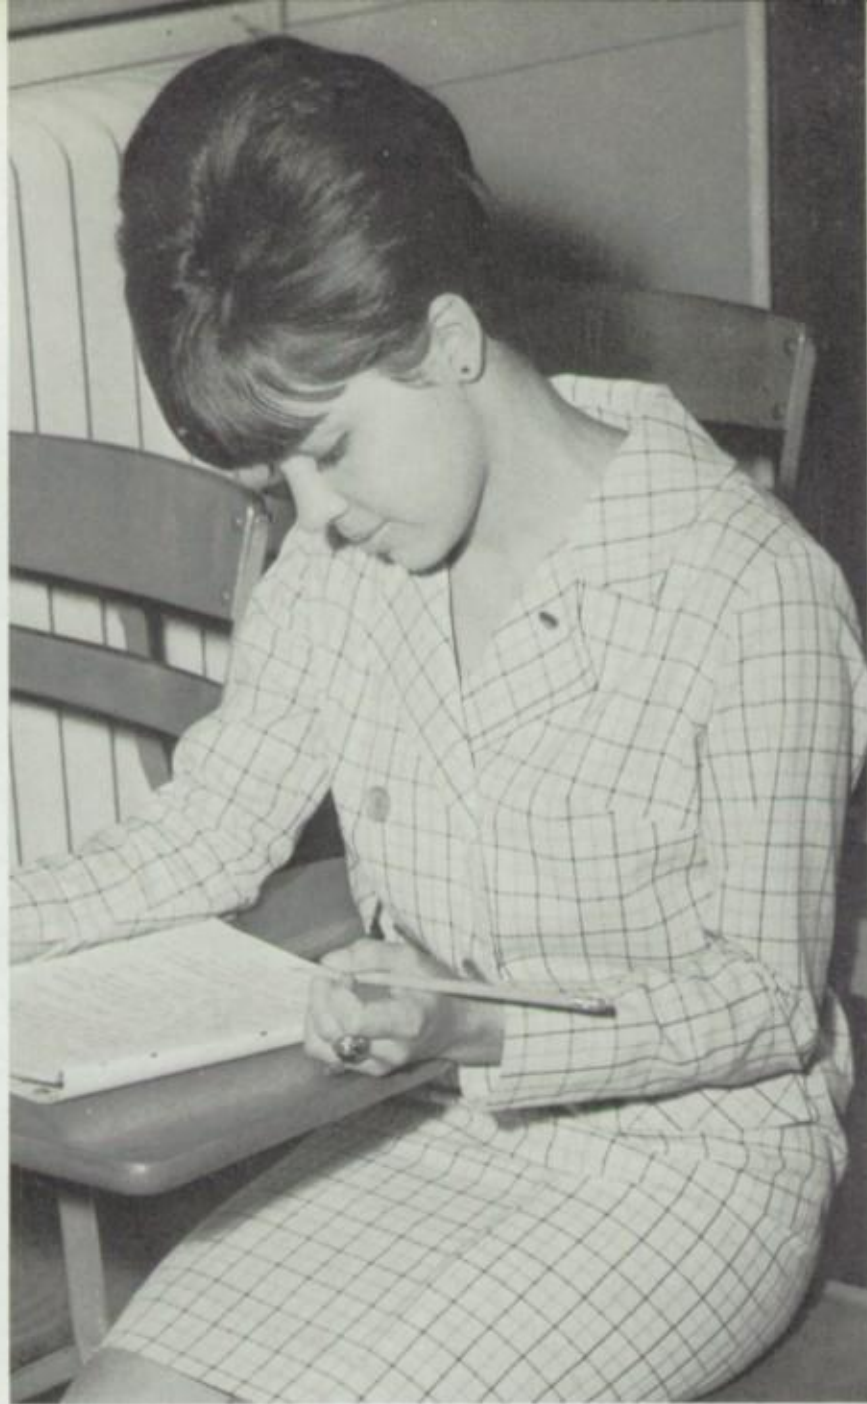

Officers Lay Plans for HemisFair Class of '68

Eleven long years of studying and dreaming were climaxed this year by the HemisFair Class of '68. With the help of their class sponsor, Mrs. Marjorie Bruington, seniors were able to capture the wonderful moments which capped their long years of study.

This "year of years" got under way early in September when class rings were delivered. Zealously waving hands and scratching enragingly itchy heads were soon noticeable characteristics of most seniors, who all seemed to use only their ring-bearing extremities.

Right: Mrs. Marjorie Bruington, senior class sponsor, goes over coming activities with President Carol Ann Lopez and Secretary Margie Cisneros. Below: Reporter Ronnie Torres, Vice President Jackie Dansby and Sergeant at Arms Paul Garza combine their ideas in planning for the Christmas prom, sponsored annually by the senior class. Below Right: Chaplain Edward Arcos (R) looks over Luis Gaitan's treasurer's report before he opens the meeting with a prayer.

Left: Carol Ann Lopez reviews points she wishes to emphasize at the senior class meeting. Below: Class representatives listen to the treasurer's report given by Luis Gaitan.

Seniors Among First to Take La Retama Portraits

College exams and representatives were present at the first senior class meeting as members began preparing for the future.

The annual Christmas prom, sponsored by the senior class, was held in December, and Brackites danced to soft music in beautiful holiday surroundings.

In April, the annual senior class picnic was held at Raymond Russel Park. Seniors were excused for half the day to enjoy this occasion.

The final countdown for seniors began in May as they consciously started counting those last few days of high school. Several memorable events enlivened. . .

Right: Senior, Anthony Obey, adjusts his robe before having his La Retama portrait taken.

Water, Water, Water

... those closing days. The Class of '68's first May activity was the senior class play. Next came the farewell assembly which brought back memories of 1967-68 as it reviewed events of the year. The Aloha Prom followed as seniors gathered with their dates for the last time before graduation.

Mixed emotions were the evident item as the class of '68 gathered at Municipal Auditorium for its climax. Each senior ended his high school career as he walked down the carpeted aisles to receive his ticket to the future.

Talented Officers Lead Successful Class of '69

The Class of '69 was fortunate to have the two main factors of a successful class—a capable sponsor and talented officers.

This year's junior class, sponsored by Mrs. Allie Farley and headed by Rey Rodriguez, teamed up to make the class a memorable one for all who were a part of it.

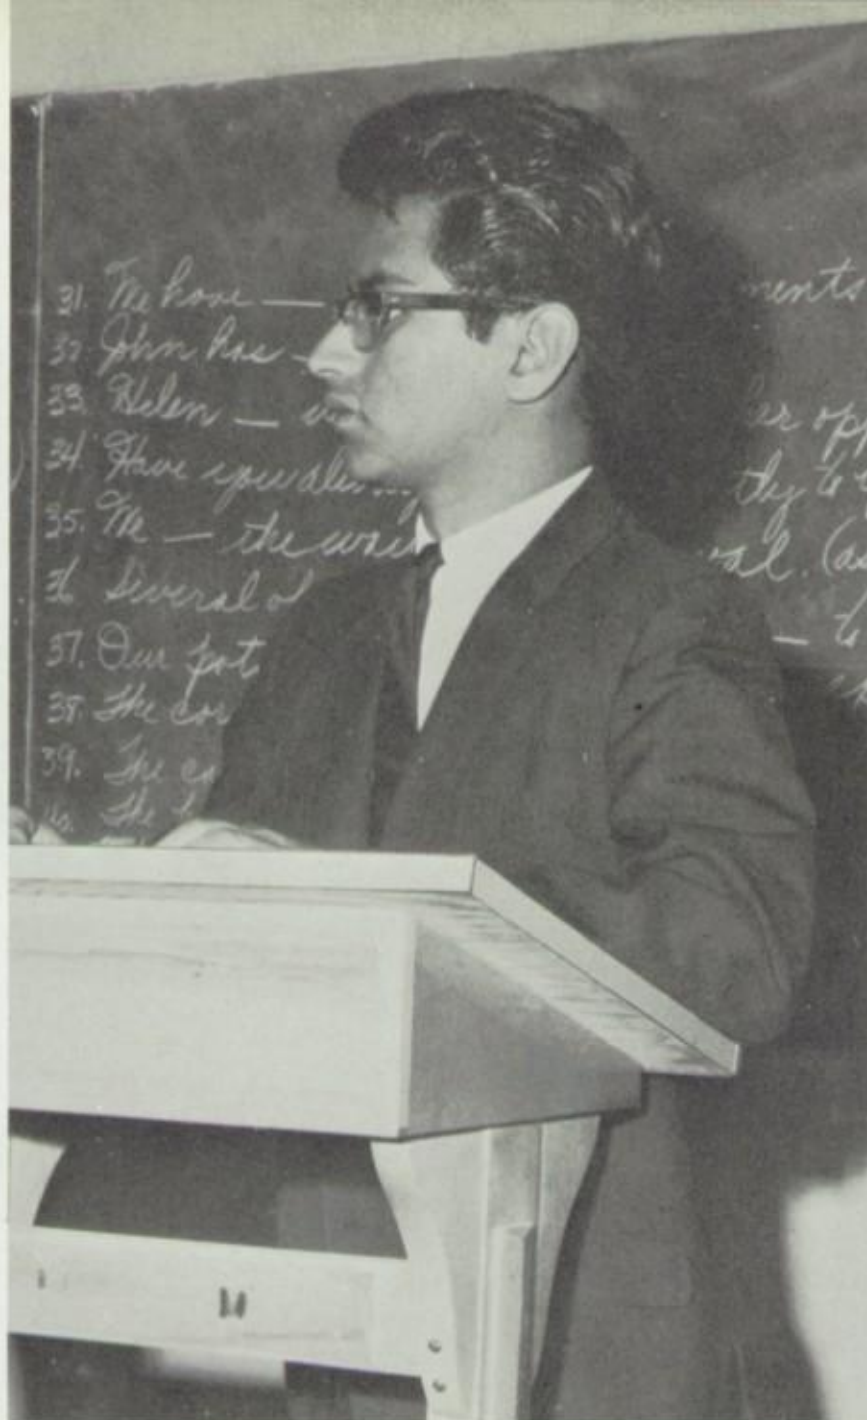

The first of their activities occurred in November when the junior hop was held in the upstairs cafeteria.

The junior class plays, "Sparkin" and "The Company of Wayward Saints" were presented to the student body in February. February also brought the junior class sponsored Sweetheart Prom.

The junior class picnic was held in April with all paid-up members attending.

Right: Mrs. Allie Farley discusses plans for the junior sock hop with class president and vice president, Rey Rodriguez and Cynthia Lozano, respectively. Below: Norma Flores (R), class secretary, reviews her notes from the last meeting with Reporter Connie Leyva, and Treasurer John Hardin. Below Right: Order is kept in junior class meetings by Robert Jacinto and Linda Calderon (R) before Chaplain Mary Alice Martinez begins the meeting with a prayer.

Left: Junior Class President Rey Rodriguez listens to minutes read by the secretary from the previous meeting. Below: Junior class officers and representatives listen closely to the president's explanation of the importance of class dues.

Mr. Raymond Booth Sponsor Class of 1970

The Class of 1970, which numbers 910, is the largest class in the history of Brackenridge. This year's sponsor, Mr. Raymond Booth, had his work cut out for him as he successfully gathered his novices and led them through what most considered an enjoyable year.

The year began in August with the annual Orientation Assembly. This meeting introduced Eagleland's administration to them and welcomed them to BHS.

Sophomores' fears and amazement were generally shortlived as they began to feel more and more like a member of the Brackenridge family. They soon joined clubs and took part in school activities.

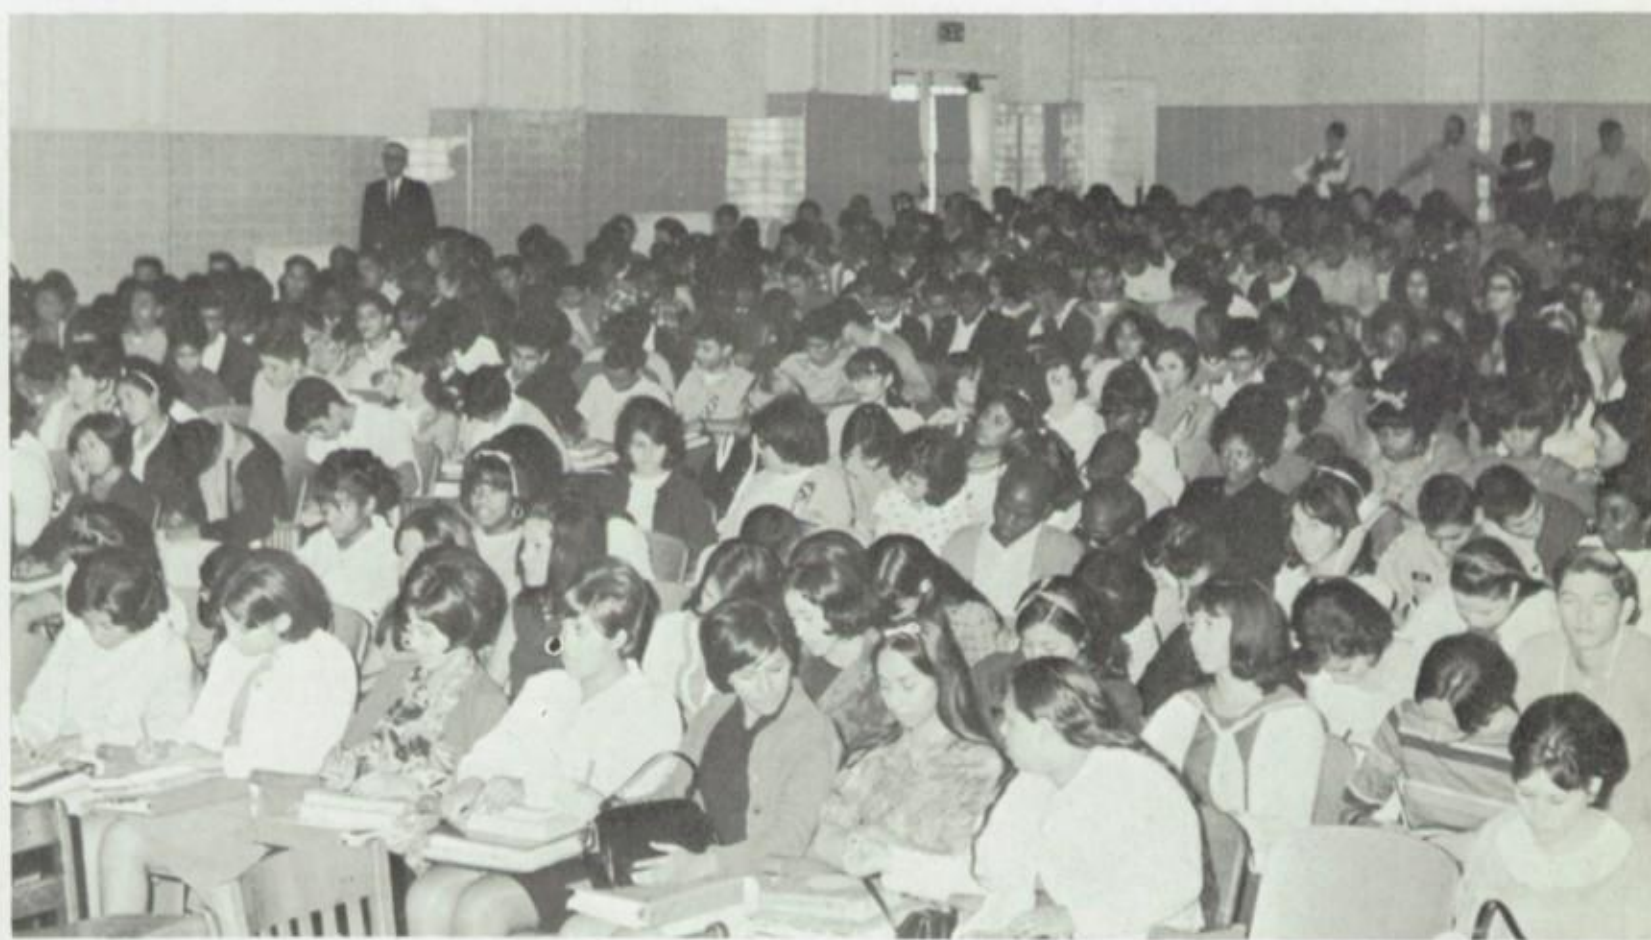

Class officers and representatives were elected in November and plans for the year were begun. They included a picnic and a record hop.

Below: Sergeants at arms, Christine Gonzales and Robert Mendoza, review the rules of good conduct before a meeting. Bottom: Treasurer Josephine Castillo briefs Mr. Raymond Booth and reporter Rose Mary Johnson on the financial position of the sophomore class.

Far Left: Sophomore Class President Mary Cervantes (L), along with class sponsor Mr. Raymond Booth, listens to secretary Mary Calderon's (R) minutes of a previous meeting for any additions or corrections. Left: Presiding over a meeting, Sophomore Class President Mary Alice Cervantes refers to Mr. Booth before answering a question about an upcoming activity.

Above: Brackites of the Class of '70 listen and take notes during the first general sophomore class meeting of the year. Left: Presiding in the absence of the president, Vice-President Clyde Wilson calls Chaplain Yvonne Guajardo forward to lead the members in prayer.

Special Ed Aims for Future

The daily activities of the special education department are aimed at preparing its students mentally, as well as socially, for future jobs.

Each student, as the year begins, chooses a particular job in which he is interested at this time. At Right, Eli Turner (L) and Richard Holguin (R) work with Mr. Victor Flores on an automobile engine, the project they have chosen. Besides automobile motors, special education students work with electric motors, wood-working tools and other industrial equipment. Later in the year, the student, if he thinks he would like to try something else, is allowed to change his field.

Sophs Cheer Warbirds

Although sophomores are sometimes not the most vocal class at pep rallies, this year's new Brackites made an earnest try at learning the yells for weekly football pep rallies. Most sophomores are shy at first, but as the season progresses, response to the traditional roll call "are the sophomores here" gets louder and louder.

A quartet of sophomore co-eds takes a few minutes between yells at the Laredo pep rally to catch up on the latest "news."

Musical Studied by Sophomores

The English II teacher gives her students a broad background in world literature. This is done by the teaching of the works of authors of many lands, along with the reading of several plays and musicals. Being that the musical is studied by all English II classes, sophomores had a special treat when the musical "The King and I," was shown on television this year.

Along with seeing the play on TV, English II classes also read the work in their classrooms. At Left, several students take different parts in the play and read them before the class, Kathleen Adame (L) plays the part of Anne and James Jones (C) plays the part of the king while Miss Carmen Gutierrez narrates the play.

Brackenridge this year is able to boast two new auto shops. The aim of each teacher in the shop is to give the student a good background in the construction and functioning of automobiles. To sophomores, such as Rudy Hernandez, Johnny Reyes, Jesse Cardenas, and Andrew Rodriguez (L-R), a valve job on Mr. G. W. Mahan's 1960 Cadillac provides the experience they gain each day. Shop students also work on those cars brought to them by fellow students and friends, charging only the price of needed parts.

The shop also gives the sophomore an opportunity to take the course three years; thus allowing him to gain, each year, more experience than during the previous year.

World History a Requirement

Teaching sophomores the past and associating it with the present is the main objective of the six world history teachers at Brack. World history is a "solid" subject and is required of each sophomore. New equipment, such as film strip and overhead projectors, have been provided for teachers to better inform the students of the past, present and possibly future happenings in the world. At right, Mr. Don Brown listens to a students' opinions in his world history class as they discuss the fall of Rome.

Sophomores Take PE

Keeping Brackites physically fit is the aim of physical education instructors, Miss Vicki Johnson and Coach Roy Weldon Forren. Miss Johnson is aided by Mrs. Irma Scariaffa and Coach Forren by assistant coaches.

In the girls' PE classes, exercises are taken daily. Various games in which the girls take part include baseball, basketball, volleyball, and captain-ball. Gymnastics are also offered to interested students.

In boys' physical education classes, football, baseball, and basketball, along with track, help keep Brack's young men in top shape.

Students are graded on how well they participate in activities, their performance on the physical fitness test, sportsmanship, and tests on rules and regulations of games. Two years of PE are required for graduation.

Mary Compian tries out the new balance beam in the girls' gym as Rose Mary Johnson and Miss Vicki Johnson stand by to assure her a happy landing.

The Brackenridge Student Council is led this year by President Travis Lackey and its sponsors, Mr. David Hildebrand and Mr. C. Jones Kittell.

Activities begin early in the year with the sponsoring of the Kick-off Hop, "Howdy Day," Color Day, the collecting of food, clothes, and toys at Christmas-time for needy families and the decorating of the school Christmas tree. The operation of the council store and lost and found is a daily job of Brack's student council.

The sale of the *La Retama* and the *Brackenridge Times*, and the distribution and sale of picture packets are also conducted by the council. It also sponsors the publication of the student directory, the putting up of spirit slogans for the week's games and the selling of ribbons.

The council climaxes its year with a traditional banquet at which the next year's officers are announced.

The organization also provides a \$250 scholarship and donates \$200 to the school at the end of the school year.

Miss Lucia Garza Editor of 1968 Yearbook

The 1967-68 La Retama is headed by Mr. Howard T. Harris Jr., sponsor, and Lucia T. Garza, editor in chief. The staff began its training by attending classes after school during April and May of their junior year.

Four staff members attended a one-week journalism workshop in June at Trinity University, after which the entire staff designed the cover and sent the first 16 pages of Volume 49 to the publishers.

In October, two yearbook members and the sponsor went to San Angelo and visited the Newsfoto Publishing Co., printers of La Retama. Earlier in the month the entire staff had attended a one-day journalism workshop at Trinity.

Each year the La Retama junior staff has as its goal the financing of the yearbook through the sale of advertisements. Staff members leave school daily at 2:30 p.m. to sell ad space to local businesses.

The junior staff is selected in April of each year, and the basic requirements are a 2.5 average and a B in English. The following summer, the staff sets out to meet their individual quotas of \$175.

In September a pair of juniors accompanies the senior staff to a one-day clinic at Trinity University. In late February they discontinue selling ads and are given instruction in basic yearbook fundamentals such as layouts, copy and headline writing, captions, book organization, photography, and cropping. After these instructions, the juniors are tested and promoted to senior staff positions.

Facing Page Top: Junior staff members often have to travel to all parts of town to make a sale. Irene Fuentes, Esther Rivera, and Norma Flores are shown here waiting for a bus. Facing Page Bottom: Members of the La Retama junior staff, leave school at sixth period each day to sell ads for the annual.

Times One of Texas' Oldest High School Papers

The Brackenridge Times is one of the oldest high school newspapers in the state of Texas. It has received numerous awards and is a member of the Columbia Scholastic Press Association, Interscholastic League Press Conference, The National Newspaper Service, Quill and Scroll, the National Scholastic Association, and the Texas High School Press Association.

The editors and reporters of the Times staff have as their primary aim keeping Brackites well informed about the happenings around the campus and community. Members of the staff sell at least \$25 worth of ads and attend various workshops throughout the year to produce the 12 issues of the Times. This year's editor in chief, Sandra Tamez, has won various honors during these various workshops, including first place in news-writing at the THSPA convention.

Band Activities Begin With Football Shows

This year the band, composed of 80 marching members, is under the direction of Mr. Julian Trevino. Not only is it under a new director, but the addition of \$9,000 worth of new uniforms, new music, new timpani, and the re-institution of majorettes make the 1967-68 Eagle Band, according to Travis Lackey, student council president, "Something all Brackites can be proud of."

The band begins its yearly activities with summer

practice. September through November sees the band participating in football shows. The rest of the year they devote to providing the school with music at assemblies and in concerts and to representing the school in parades, such as the Rodeo, Battle of Flowers, and Flambeau. This year they also marched in the Diez y Sies Parade and the one which marked the opening of HemisFair.

Cadre Heads Eagle Corps

The Reserve Officer Training Corps of Brackenridge High School, under the guidance of SFC James F. Gennero and SSG George Ozuna, has noted many changes since its establishment in 1924. The first ROTC had some 190 cadets. This year they are training 250.

The purpose of the corps is to educate and familiarize cadets in the principles of military organization. Military courtesy, discipline, weapon study, leadership, map reading, first aid, and small unit tactics are subjects taken by each cadet.

Cadets are trained and inspected every day in preparation for the most important event of the year—Federal Inspection, which takes place in early spring.

Practices, Cheering at Rallies Occupy PJ's Time

The Purple Jackets, sponsored by Miss Vicki Johnson, represent Brackenridge in various school and civic activities throughout the school year. Some of these projects include helping the faculty and administration during registration, working for the Tuberculosis Association, and ushering during several on- and off-campus events.

The pep squad meets during the last half of August each summer to practice dance routines and half-time shows for the upcoming football season.

A branch of the Purple Jackets is the drill team. It

consists of 28 PJ's chosen by members of the administration and faculty. These girls perform during half-time at basketball games. A candy sale is held annually to raise funds needed for the organization's functions.

In May, the annual Purple Jacket Coronation Prom, at which officers for the approaching school year are named, is held. Prior to this final activity, PJ's march in Fiesta Week's Battle of Flowers Parade and, on several occasions, have participated in other Fiesta activities.

Scholarship, leadership, service and character are the bases of membership in the National Honor Society, sponsored this year by Mrs. Carlie Estefan. Fifteen per cent of the senior class is eligible. Students additionally must have maintained a 3.0 average during their entire high school career and must have been in the top third of their class.

A change was announced this year by Principal G. W. Mahan, that members were to be chosen at the beginning of the year, so that those students who met the requirements may be honored through most of the year and also, so that they may include NHS in their college applications. Members, until recently were chosen in the spring.

This year the Brackenridge Chapter of the International Honor Society for High School Journalists, Quill and Scroll, takes in sixteen top students from the two school publications: "La Retama" and "The Brackenridge Times." Each of these students must be either a junior or a senior on one of the two publications, must be in the upper third of their class in scholastic standing, and must have done superior work in some phase of journalism. Also, "Times" staff members must have sold \$25 worth of ads and "La Retama" junior staff members must have sold \$200 worth of ads.

SE Honors Top Seniors

Made up of the highest ranking seniors, the Sigma Epsilon Society is now in its thirteenth year of existence here at Brackenridge. Sponsored by Mrs. Paulita Tietze, this organization honors those members of the senior class who have maintained a 3.5 average throughout their high school career by making them permanent members of the society. This was the first year the Sigma Epsilon pin was not presented on a temporary basis to underclassmen who "made the honor roll."

FTA Holds Picnic

Helping Brackites to better acquaint themselves with the field of teaching is the purpose of the Enos Gary Chapter of Future Teachers of America which was organized in 1954. Activities sponsored by the club include a baby sitting service for the PTA Mexican supper night in November, a picnic at Brackenridge Park in December, the District Convention in Kerrville, and the State Convention at Dallas in February. Members are also guests of professional organizations at teas and social events.

Brack's La Estrella Club Led by Miss Casanova

One of Brackenridge's two Spanish clubs, La Estrella, was formed in 1951 by the combination of two older clubs, Los Hidalgos and La Ultima Hora. It is sponsored by Miss Rosa Perez and is lead by President Joyce Casanova, who assumed the office early in the winter after the former president had to transfer to another school.

La Estrella's goal is to create friendship throughout Brackenridge. Activities were a Christmas party in the Mexican tradition, which included red and green corn chips, a skating party, bowling party, picnic and farewell banquet.

Cadet Colonel Leads Officers Club

From among the outstanding cadets here at Brack, the officers of the ROTC are selected. The Officers Club consists of all commissioned officers and company first sergeants.

Sponsored by SFC James F. Gennero and lead Cadet Colonel Paul Garza, the club meets weekly to discuss and correct weaknesses in the corps.

Among its activities is the planning and sponsoring of the annual Military Ball near the end of the school year.

The purpose of the Brackenridge chapter of the Hi-Y is to create, maintain and extend throughout the school and community high standards of good Christian character. The Hi-Y is an affiliate of the YMCA.

An all-boy club, the members meet every second and fourth Wednesday of the month at the downtown YMCA. The first half of each meeting is spent on present business, while the second half is devoted to sports and activities from billiards to gymnastics and swimming.

A fund raising project this year was a car wash held in November.

Fifth Row: Edward Arcos, Gilbert Flores, Jesse Lopez, Joe Otero, Richard Sanchez, Pete De Luna, Richard Morales.

La Voz Espanola, sponsored by Mr. Alfred Greer, is a cultural Spanish club. It was organized in 1962 and is the latest addition to the cultural complex here at Brack.

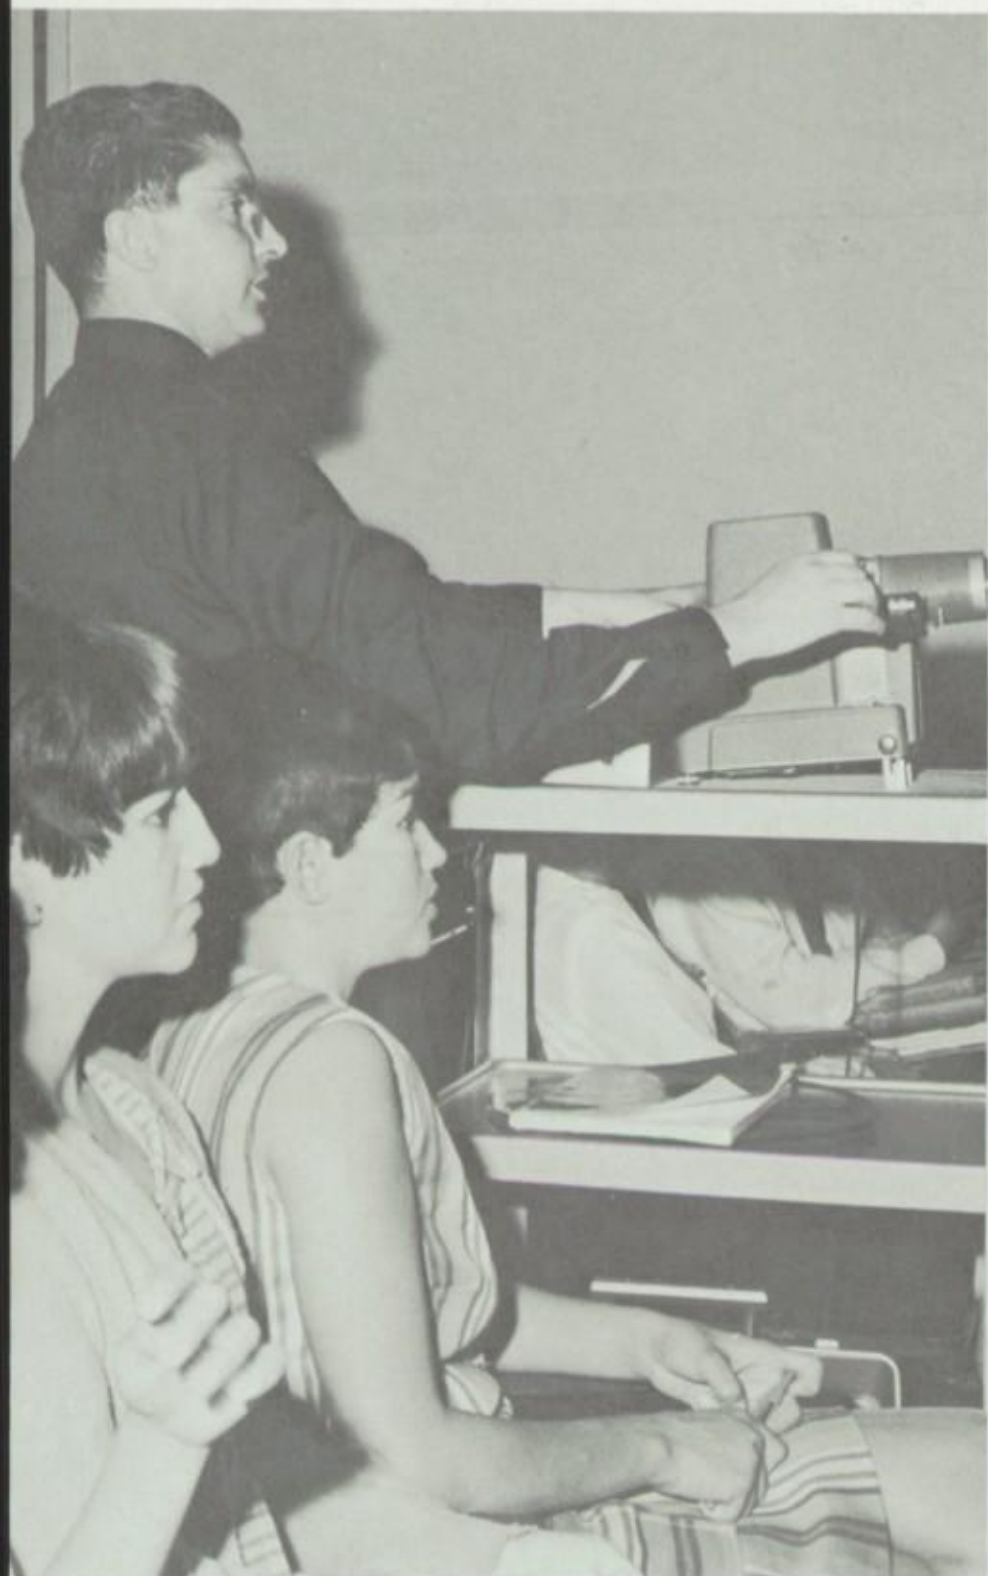

La Voz activities for the year include a combination Halloween and initiation party, Thanksgiving party, a bicycle outing at Brackenridge Park, Christmas party, Valentine party, spring picnic and a banquet at the end of the school year.

Fund raising drives include a tamale sale in November and car wash in March.

La Voz was organized as a cultural Spanish club dedicated to improving the use of the "Language of Romance." This is done through the appearances of various guests from Spanish-speaking countries, who lecture and show films and slides of their native lands. Local guests are also present at many meetings.

Right: La Voz sponsor, Mr. Alfred Greer, discusses the club's skating party with President Amelia Garcia.

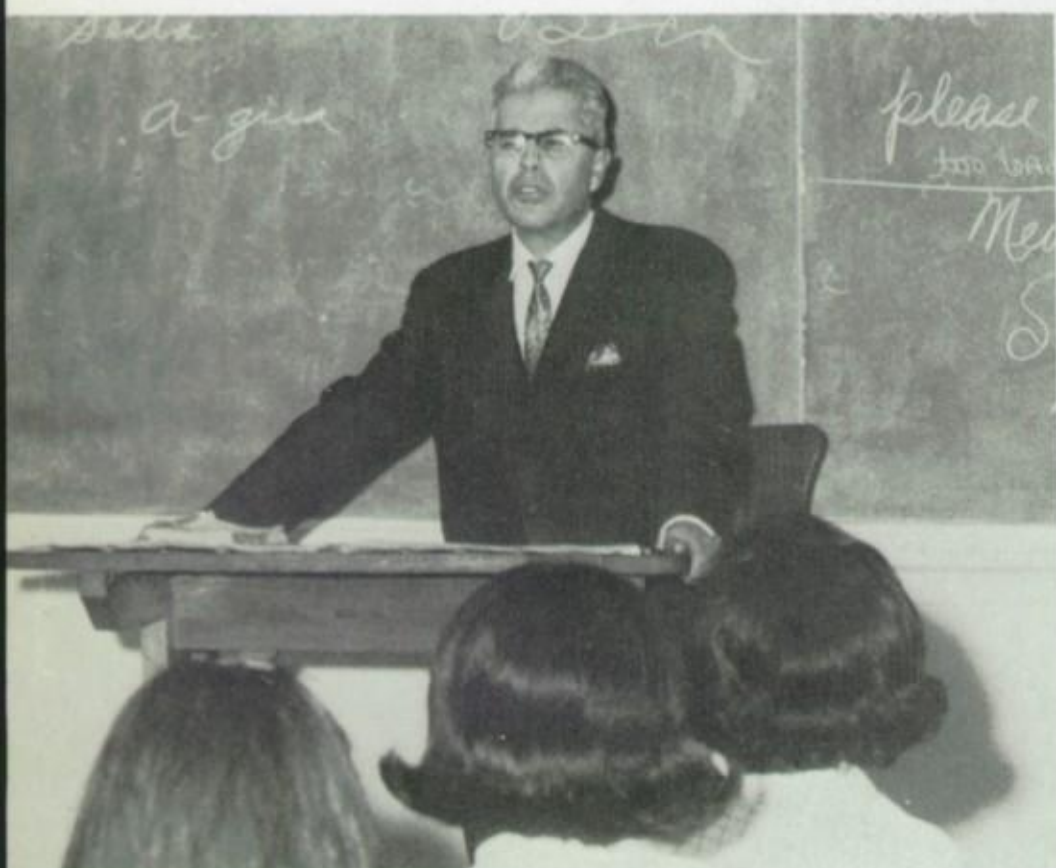

Left: Guest speaker at a joint meeting of La Voz and La Estrella Clubs is Father Clemente Iglesias, who shows slides of Spain to club members.

Stevensons Literary Society Tours New Library

The Stevensons Literary Society, organized to promote the intellectual and social well being of its members, was founded in 1917 and is one of the oldest clubs at Brackenridge. It is an all-girl club and is sponsored by Mrs. Florence B. Higdon, art teacher.

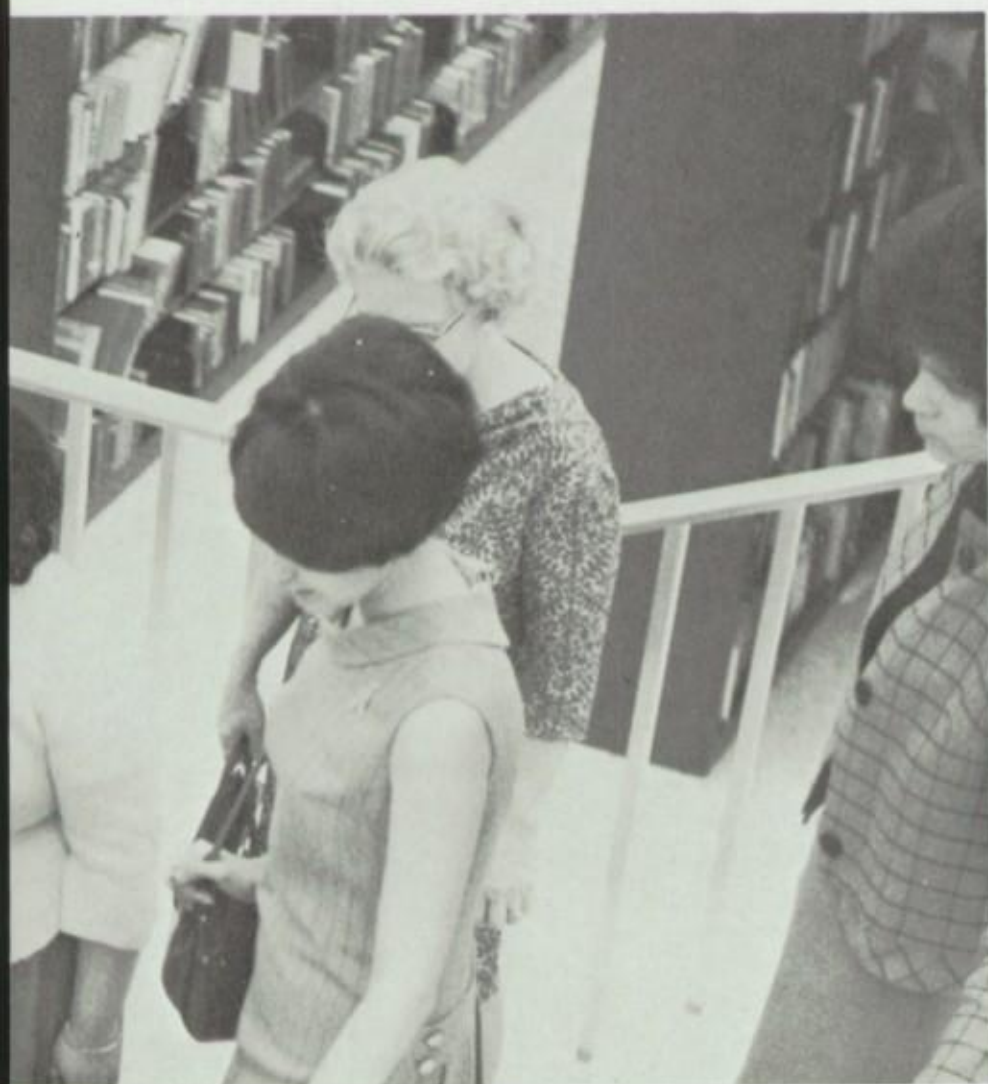

Activities include an annual initiation party at the beginning of the fall semester. Later in the school year members attend picnics, as well as skating, bowling and golf parties.

Highlights of the year are the giving of Christmas presents to patients at the Bexar County State Hospital and a banquet in late spring at which new officers are installed.

Right: Mary Lopez, Amelia Lavastida, and Rosalinda Arevalos view the modern book shelves used in the new library. Below: Rosie Benitez, Dolores Martinez, and Rosalinda Arevalos watch closely as Elida Garcia tries out the new San Antonio Library's learning by record process.

Jr. Red Cross

The Brackenridge Junior Red Cross consists of one member from each advisory. Its purpose is to help the Red Cross Organization provide assistance to victims of floods, hurricanes, tornadoes, and other natural disasters. It also contributes toys, clothes, food, and other necessities to war orphans in Viet Nam and other countries. Members had a chance to give assistance to local residents when Hurricane Beulah's fierce winds hit Bexar County.

The club is sponsored by Mrs. Vera Elder and co-sponsored by Mrs. Virginia Dye. A doughnut sale was held early in the year to finance social activities.

The Industrial Arts Club, which stimulates the interest of young men and women in both mechanical and architectural drafting, has 32 members for the 1967-68 school year. They participate in various activities including sports and field trips to H. B. Zachary Co. projects, Edgar Tobin Aerial Survey Co., Hemis-Fair's Information Center, and San Antonio College. Fund raising projects, such as the doughnut sale held in February, help support the organization.

Last year, three drawing trophies were awarded to students of this club in the San Antonio Industrial Arts Competition. This year's club vice president, Oscar Saldana, was awarded first place in the junior division for plans for a split-level contemporary house.

Louis Barragan had the best pictorial drawing and Fred Burks received an award for the best house plans for a split-level contemporary in the senior division.

Dramatics Club Largest at Brackenridge

Consisting this year of forty-two members, the Purple Masque is the largest club here at Brackenridge. Made up of speech and drama students, its purpose is to provide student entertainment in the form of plays, variety shows, and assemblies. It's members also assist other Eagleland organizations in the presentation of their respective programs of student interest.

This year's Purple Masque is lead by President Yolanda Garcia and Mrs. Mary Elizabeth Hankins, sponsor. To become a member, one has to put in thirty hours of stage work. This year, novices helped make props for the San Antonio Little Theatre as one means of gaining admittance. Speakers from SALT were also present at club meetings.

Fossils, Ecology, Planets Fill Scientists Year

The Science club, developed to acquaint its members with the growing fields of science, is led this year by President Troy Roberts, and Mrs. Mamie Lew and Mr. John Schulz, sponsors.

Activities planned for the year were the learning of photographic techniques, a fossil hunt, a visit to the planetarium at San Antonio College, a trip to the Ecological Center in Austin which showed the relation between organisms and their environment, and a trip to

the coast at the end of the school year.

Their fund-raising project was a candy apple sale early in the year.

The club, this year, also sponsored the Brackenridge Science Fair where applicants were derived for the Alamo Chapter Science Fair. Additionally the club entered members in the Interscholastic League Contest in the science field.

To Elaine, a real sweet and wonderful nut. She has been great knowing a gal like you. Although you hate to admit "Deers" is one of the greatest schools anywhere. Well, God bless you with Robert and many lots of luck with your future. I wish you all the best. The Harland family might be Indians.

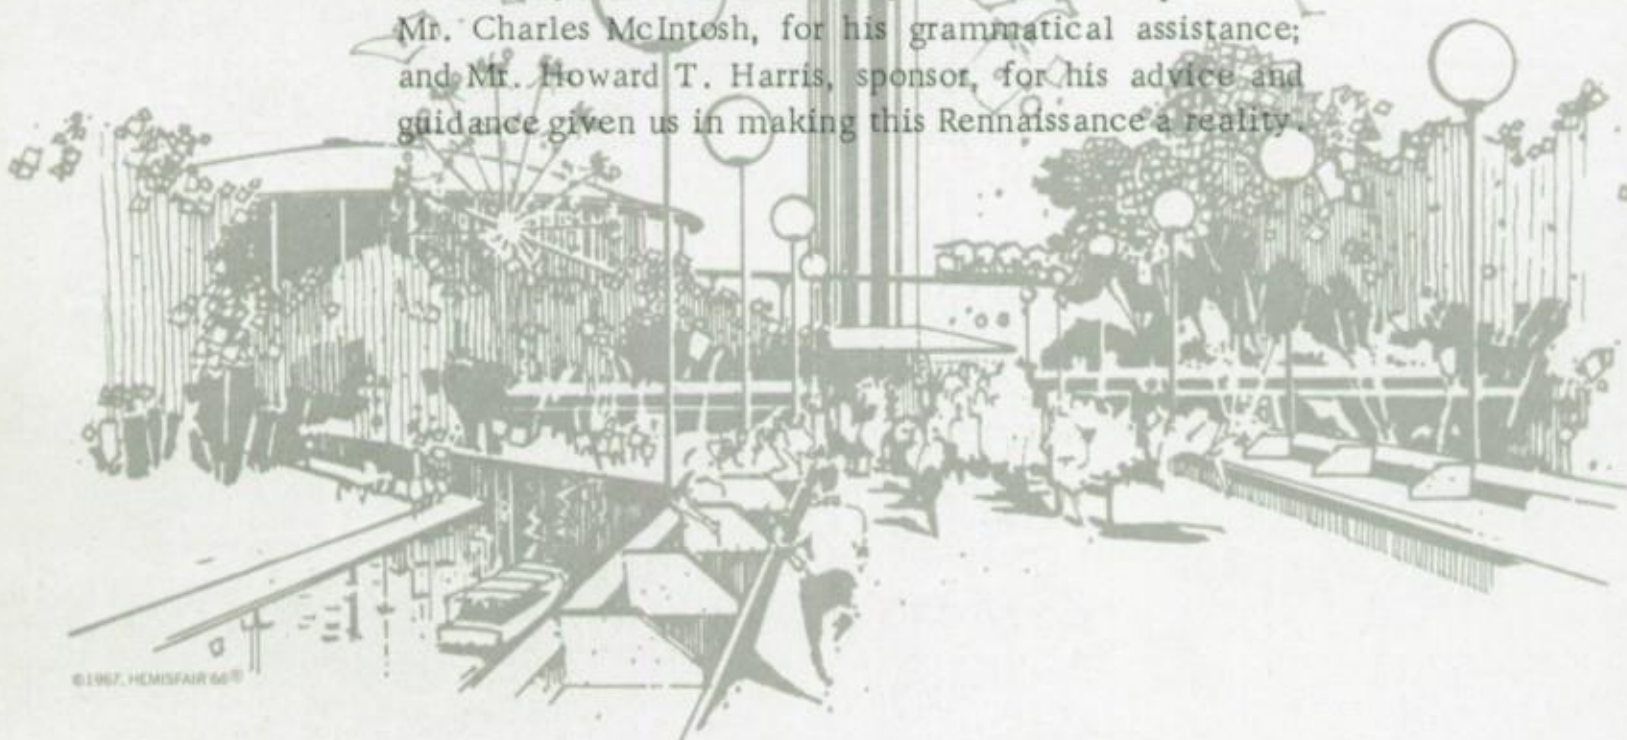

Go Indians!
Hear Eagles!!

Go Indians!!

And so ends this year of years. The newness of the shops, teachers, labs, and students has worn off. They have once again joined together as one to start another 50 years devoted to higher learning.

A new era has begun with fresh new material that promises to make it one to remember. Each year will be a year to cherish, but none will be like this one. For during this year our Eagles emerged as winners of numerous contests. They've laughed, they've cried, they've cheered, they've sighed, but only those involved will ever know the true feeling felt by all Brackites in a school that will long be part of many lives.

The 1968 La Retama staff wishes to express their thanks to all who have made this year book possible-- Newsfoto Publishing Company, for its invaluable aid throughout the year; Fred Harding Photography Studio, the faculty and student body for their cooperation; Mr. Charles McIntosh, for his grammatical assistance; and Mr. Howard T. Harris, sponsor, for his advice and guidance given us in making this Renaissance a reality.

Elaine,

It may have
been a short
time but it was
my pleasure.
May God Bless
you both and
his light shine
your future.
Excuse my writing
but I am not used
to writing standing up.

To Elaine

The girl I love very much. May we
stay together for the next 13 months.
I hope you start to believe me. Elaine
because I do not want you to ever Break
up with me. Elaine you are the girl I am really
looking forward to making: and I hope you remember that
if you ever like another boy, please tell me. I hope our
children look like we two. because if they look like us
they will be the beautiful kids in the block. I
love you with all my heart and soul so please don't
ever tell me that you don't like me. Elaine I
am going to say it again remember A, remember B
but C that you remember me cause I will always
remember you.

yes
us.

With Love, all heart & soul
